

!!! ATTENTION !!!

It has come to our attention that some of our families, more specifically the parents of students who have recently taken the PSAT, have received phone calls from individuals claiming to be from The College Board. The representative tells parents that his/her child checked off a box on the scantron, and by providing your credit card information, their company will send the requested test preparation materials.

We're alerting you to this because this is a known telemarketing SCAM. **Do not** provide your credit card information!

The College Board does not make unsolicited phone calls to students or families requesting this type of information. Should you have a question about the origin of a phone call you have received in which the caller claims to be from the College Board, you can call the College Board customer service center at (866) 756-7346.

More information on the College Board's privacy and security policy can be found here:

<https://www.collegeboard.org/privacy-policy/security>

If you do receive a call from someone claiming to be from the College Board and you believe that you are a target of a telemarketing scam, the Office of Minnesota Attorney General Lori Swanson recommends reporting unwanted or scam calls to The Federal Trade Commission (FTC) at:

Federal Trade Commission
Consumer Response Center
600 Pennsylvania Avenue, NW
Washington, DC 20580
(877) 382-4357
