

Minutes March 15, 2021

Begin at 2:47

Tovar, Mason, Borgard, Gray, Swanitz, J. Blevins, Morey, Lee, Schaller

Agenda approved (Gray & Mason 1st & 2nd)

Minutes approved (Swanitz & Morey 1st & 2nd)

Public Comment – none

New business

Reopening: date has been moved up. Ready to send information to parents this Thursday (March 18). Teachers will get information on Wednesday and to be present on campus on Wednesday also (March 17).

Cleaning supplies and PPE discussed. Parents will get a “friendlier version”.

We will keep the same current schedule.

Parking lot will need to be addressed as it is not open to full capacity. Information should be sent to the community.

Public comment: none

Unfinished business.

We have more flexibility with our Title I funds. We can approve 22K for core supplies which will open up that amount for school supplies (like fixing/replacing the laminating machine).

Propose to designate for core department supplies to help out site needs. This would be implemented for the following year. Approved.

Purchased 15 bars with camera and speakers for distance learning. The camera will track you and can zoom in. The microphone filters out background noise and only projects the teachers voice.

Already purchased 70 VIN SMART TVs with zoom already on.

3:20 Adjourned

New business

C. Borgard find from Isidro what the budget is before monies can be delivered
Camille is first. (I would have to step out for discussions.)

Budget category LCFF funding 1st \$98,000 half is used to fund our fourth counselor
and half is CTE and district funds her other half (district office).

Adjourn 3:48 Morey male student
