CENTAURUS HIGH SCHOOL

Warrior Weekly News

Centaurus Points of Pride

As I am sure that you noticed, this past Wednesday Centaurus High School was in a lockdown situation for an extended period of time. This was a very challenging and stressful situation, but I want to commend all of our faculty, staff, and students for how well they handled themselves during the lockdown. Everyone followed protocols very well, and I was impressed with everyone's efforts to take care of each other. I would also like to thank all of our partners in law enforcement and BVSD security for their support. A situation like this is always a vivid reminder to be prepared, and I would appreciate it if everyone could take a minute to review the [BVSD Safety Website](#), which details our safety and security procedures and will let you know what to expect when we are in a security situation.

Lastly, I would like to thank all of our Centaurus families for your patience and support on Wednesday. As a parent myself, I know how stressful that must have been for everyone, and I appreciate you trusting us and allowing us to take care of the school during that time.

Take care of yourselves, and remember to look out for those around you.

Daniel Ryan, Principal

Celebrating Centaurus Seniors!

Parents of Centaurus High School Class of 2021 - please join the [parent group on Facebook!](#)

Parents of
Centaurus High School
**CLASS OF
2021**

Many thanks to the parent volunteers coordinating spring events to celebrate the Class of 2021.

Please consider making a Senior Celebration Donation:

- These donations support school and parent efforts to celebrate and recognize our Seniors this spring. Money will be used for senior signs, senior goody bags, and other things and activities to show them how much we appreciate the Class of 2021.

- If you would like to donate, please use this link to access the [Senior Celebration Donation item on the web store Rev Trak](#).

CHS Yearbook Selfie Portraits

Centaurus students, if you would like to upload a selfie of you to go in the student section of the Centaurus 2020-2021 yearbook, please look at the attached PDF for instructions. Submissions are due by March 15th!

Seniors, if you have already uploaded a portrait for the senior section, there is no need to upload a selfie now.

Getting to know your Centaurus Team:

This week, we'd like to introduce Augusto DiLaura.

Hola! My name is Augusto Di Laura and I'm originally from Buenos Aires, Argentina. I'm bilingual and bicultural. I am married and I have four beautiful children. I have been in the US for almost 20 years. I really enjoy skiing, spending time with my family, and traveling is my passion!

I come from a family of educators so becoming an educator was always in my mind growing up. Before becoming an administrator, I was a high school math teacher and a Dean of Students. This is my fourth year as an Assistant Principal at Centaurus and in BVSD. I absolutely love it here! I'm very proud of the work that we are doing here at CHS. We welcome and value everybody's backgrounds and experiences, and we always ensure that every individual feels welcomed. Please stop by and say "hi" or "hola" next time you are in our building.

Centaurus School Community News

Teens & Adults: A virtual "viewing party" to see and discuss the video

"Making a Living and a Life"

Thursday, March 11, 6:30 – 8:00 pm ([Click here](#) for more info and registration)

Centaurus High School student, Ethan McAleavy, has just produced a video, "Making a Living and a Life; Empowering Young People with an ALL Careers Approach." It inspires young people with a vision of how all careers and livelihoods can nourish families, communities, and the living systems upon which we all depend. It empowers us to connect environmental principles to ALL careers, not just those we normally think of as "environmental careers."

Join with others to view the video and then discuss it with Ethan McAleavy and Martin Ogle, founder of the ALL Careers initiative. The video and discussion will provide new and hopeful perspectives for young people as they start to think about their careers and their part in a green economy.
