CENTAURUS HIGH SCHOOL

Warrior Weekly News

News From the Principal

We have finally arrived at a very well deserved Spring Break. I hope that everyone is able to use this week to relax, spend some time with family and friends, and hopefully get a little less screen time. Our students and staff have worked hard and have had to overcome numerous challenges this year, and I think that everyone has earned some rest and relaxation.

When we return on March 30th, we will be returning in-person instruction four days per week in the BVSD Phase 4 plan. Please note that all of the precautions we have been taking as a school (mask wearing, distancing, following school and classroom guidelines, accurately filling out the COVID screener, contact tracing, etc) are going to be even more important when we return with an increased number of students in the building. Please help us keep our students and staff safe, and our school open, by reviewing guidelines and expectations with your student. Also, please consider taking advantage of the free [COVID testing available at Centaurus through COVID Check Colorado](#).

Enjoy spring break!

What's next and what you need to know...

Important Dates

- March 22-26 Spring Break (no school)
- March 30 Phase 4 begins - In person learning 4 days/week
- April 23 Senior Posters due

Phase 4 Updates

In Person Learning

With the district moving secondary students to Phase 4 - In Person Learning four days per week starting March 30, we know some families may wish to change their in person learning preference. Please complete [this brief form by March 22nd](#) to request a change from home learning to in person learning, or vice versa.

Please note: The only options for learning are home learning only or four days in person. Students attending in person learning are expected to attend classes onsite all four days.

Student Parking

Beginning March 30, we will have limited parking available due to the increase in attendance and COVID testing in the north lot. Student drivers (juniors and seniors permitted) will need a parking permit to park in the Centaurus lot. There is no cost for the permit this year!

Please print, complete, and bring this form ([English](#) / [Spanish](#)) to the Treasurer's window during lunch or after 2:50pm along with required documentation (current driver's license, insurance card, and vehicle registration) to obtain your parking permit. Again, due to parking constraints, only juniors and seniors will be allowed to park on campus this spring.

Bell Schedule

After spring break we will have a new bell schedule with two lunch periods to accommodate the increase in students on campus. Please check our web posting for details. ([English](#) / [Spanish](#))

Water Bottles

All students should bring their own water bottle to school! Refill stations are available, but drinking fountains are closed. (Water bottles are no longer available onsite.)

Advisory Plan for March 31

Freshman/Seniors: At the freshman/senior grade levels we will do Freshman/Senior Pair day where advisory classes are paired off and seniors give advice to freshmen and answer questions about high school.

Sophomores will discuss post secondary options with counseling.

Juniors will review SAT preparations.

ATTENTION SENIOR PARENTS!

SENIOR POSTERS are a long time tradition! We want all our seniors to be represented in the Senior Hall of Fame. Posters are due Friday, April 23rd by 3pm.

Senior posters are a celebration collage of your child's years growing up. Posters will be laminated by Morrell Printing in Lafayette.

Questions? Email Beth@zorgdrager.org for more examples or ideas!

- 20"x30" poster board (red, white, or blue) -- NO FOAM BOARD!
- 15-25 photos of your senior student - can be printed at Walgreens, Costco, etc.
- FLAT decorations with stickers, stencils, markers or cutout letters to decorate your poster

Other instructions:

- Write student's first & last name and phone number on the back of the poster, even if their name is displayed on the front.
- Take your poster to Morrell Printing in Lafayette for lamination by Friday April 23rd (This cost is covered by CHS).
- Your laminated poster will be hung on display (location TBD) for other students to see!

EXAMPLE:

Golf Off Season Training

Interested in playing with the boys golf team next fall? Check out the many off season activities available.

"Off-season training and spring/summer golf tournaments are a great way to improve on your game while getting to hang out with your teammates (which makes everything more fun). Plus, you'll also meet a lot of great golfers from across the state and make new friends that you'll end up playing with for years to come." - Coach Elliott

We have some fun activities for you this summer like a book recommendation from Coach Bill, off-season weight training from Coach Elliott, and a Summer Golf League from Coach Ricardo, and free JGAC memberships (space is limited).

Visit our [team website](#) for details and to sign up.

Getting to know your Centaurus Team: **Andrea Davidson, English Teacher**

Hi Centaurus! My name is Andrea Davidson, and I am a third year teacher. I did my first year of teaching at Broomfield High School and now teach English here at Centaurus. I am originally from Columbus, Ohio and am a big Buckeyes fan!

I came out to Colorado to go to CU Boulder where I majored in Secondary Education and English. I am a girls basketball coach here at Centaurus and in my free time I love snowboarding, hiking, and hanging with my dog Ralph. So happy to be part of the Centaurus community!

Homelessness Awareness and Action Club Fundraiser

Help support this CHS club's efforts by dining with us at the Lafayette Chipotle on March 29th. This club has organized a food drive, raised money to create care packages, and volunteered to distribute food at local food banks. The funds raised on March 29th will go right back to supporting people struggling to find food and shelter in our community. [Please see this flyer for more details.](#)

DECA Spring Fundraiser

Centaurus DECA students are fundraising in hopes of attending future state competitions. [Check out our flyer for details!](#)

Join Lafayette Communities That Care

[Communities That Care](#) helps communities address the root causes of substance abuse so that all young people thrive. As the CTC board deeply values youth voice, we have begun the search for our next round of outstanding, diverse, young leaders to join our CTC Board. We seek to have voices which represent the diverse Lafayette community. The CTC Board has proven to be a courageous space for youth to grow in their unique interest areas, self-confidence, and emerge as young leaders and change-makers in our society.

Interested rising 8th graders - rising 10th graders may apply to join this group. [This application](#) includes more details regarding who we are, what CTC does, and the role these youth would have. The application is due on Monday, March 29th.

Sexual Violence Prevention Education

In case you missed it! The final parent presentations are coming up at the end of the month. Any parents still interested in attending are welcome to join!

Boulder Valley School District is partnering with Moving to End Sexual Assault (MESA) and Safehouse Progressive Alliance for Nonviolence (SPAN) to provide their sexual violence prevention curriculum, Peers Building Justice, to the 9th grade students. Prior to the student lessons, the staff at your child's school will be receiving training on sexual violence, mandatory reporting, and how to support a student that makes a disclosure.

Ninth graders will receive four lessons from the curriculum: Defining Relationships, The Cycle of Violence, Sexual Violence and Consent, and How to Support a Friend. Preceding the student presentations, parents will be able to learn more information at the parent workshop. The workshop will cover information about sexual violence, the four lessons your child will receive, and tips to talking to your child about these topics.

Below are the options for your school's parent workshop (all presentations are the same):
