Remember: *Mondays Remote Learning schedule is not the same as other days. Look for the AM/PM Schedule on our website under the Bulletin Board. Students should chat their Teachers on TEAMS with any questions about class time.*

From Mr. VanderYacht:

This week will be our last week of our AM/PM schedule. Starting next week Tuesday, we will be returning to our normal daily schedule which runs from 7:45 to 2:15. This schedule will be Tuesday through Friday each week, with Mondays being asynchronous learning days. On Mondays, students will be expected to logon and complete their work. We will have more details about our Monday schedule in the next week.

We are excited to return to our normal schedule as the relationships we make with students are strengthened when we have more in person time with our students.

Those students who are continuing with NV@Home will be expected to join their Zoom classrooms for all their core academic classrooms and will be given assignments/projects to work on for their Arts and PE classes. On Mondays they will be expected to meet with their Arts and PE teachers at a schedule time.

Attention 8th grade parents:

There will be a brief 8th Grade Breakout Parent Zoom meeting this Thursday at 7:00 pm. We will be going over expectations for Breakout and answer any questions. Join the meeting with this link: <https://us02web.zoom.us/j/84708911383>

Mrs. Campos will be following up this meeting for Spanish speaking families at 7:30 pm.
