

CLASS OF 1976 - OFFICERS' MEETING
March 2, 2021

Meeting conducted by Zoom

Attending: Linda Ury Greenberg, Helen Clement, Louis Dunbar, Ellen Boates Clark

Reunion

The proposed schedule of activities for reunion was reviewed. Linda solicited additional ideas for speakers and programs in case they were needed. Reunion planners are hoping to provide opportunity for smaller breakout groups on Friday night, perhaps by dorm. Pricing was reviewed including the ability to subsidize some activities with the class treasury. It was noted that pricing would only apply to individual activities as there is no general registration fee.

The class meeting will be on Sunday. Officers should each be prepared to speak briefly about their areas of responsibility if questions arise. Ellen was asked to address the class website and to encourage increased participation in providing news for Class Notes.

Treasurer

Helen reported that the class is in good financial health heading into the next five year push to the fiftieth reunion.

Fundraising

Louise noted that donations have been off but relatively steady given the pandemic. She was appreciative of Jane Risser's '73 support and encouragement.
