## VOLUNTARY IMPLEMENTATION OF PRIORITY RECOMMENDATIONS

5. Describe site plans to minimize COVID-19 transmission in staff breakrooms:

Staff lounges will continue to be a place for storage and heating of food but not for dining. If employees want to eat with coworkers, they should do so only outdoors and distanced more than six feet apart from each other. Staff may eat together indoors if each member of the group is vaccinated. Eating alone is still the safest.

6. Describe any plans to assess potential outdoor learning spaces (e.g., outdoor seating and shade/protection from elements) and/or to move instruction outdoors:

Students will utilize indoor work spaces arranged with consideration for maximum physical distancing, following public health recommendations. Each site will provide options for outdoor learning spaces.

7. Describe any site plans to optimize indoor ventilation (e.g., opening operable windows, using high efficiency filters, etc.):

Assessment of room ventilation has been completed by the Facilities Department, with older filters being removed and MERV 13 filters installed in all rooms and classrooms.

8. Describe any plans to facilitate routine testing of teachers and staff (e.g., by healthcare providers or at County testing sites):

The District is implementing PCR and rapid antigen testing for indoor athletes and coaching staff through Inspire Diagnostics. Weekly PCR testing will be available for staff, plans are being considered for students.

9. Describe any plans to resume in-person instruction in phases (e.g., elementary in month 1, middle school in month 2, etc.):

On April 19 students will be in one of three learning groups based on completing a commitment process. The groups are remote instruction only, remote instruction and attendance on campus for athletics or activities, or hybrid instruction on campus which could include participation in athletics or activities.

## Visitor Information

(POST ON WEBSITE AND AT ALL SCHOOL ENTRANCES)

### VISITORS/VOLUNTEERS

**The school allows only necessary visitors and volunteers on the campus and will limit the number of students and staff who come into contact with them.**

### FACE COVERINGS - We will support students and staff wearing masks by:

Face coverings are required for all individuals while on campus, at the following times: in-person pick-up and drop-off; arrival on campus; throughout the day, except while eating or drinking; travel around campus; and departure from campus. Staff who are working outdoors and maintaining at least 6 feet of social distancing may have their face covering off. Such persons must have a face covering with them at all times and must put it on if they are within 6 feet of others. Students without masks will be provided with a disposable one to wear while at school. FUHSD Face Covering Exemption Process is required for anyone who will not be wearing a mask while at school. Shields with drapes will be available for individuals who are able to wear this option. Visual reminders of face covering protocols will be posted around campus. Students who refuse to wear face coverings and do not have an exemption will

### PHYSICAL DISTANCING - We will support physical distancing by:

This site will implement plans to ensure physical distancing, complying with the requirements laid out by the SCCPHD, including spacing student desks at least three feet apart and distancing teacher and staff desks at least six feet away from students' desks to minimize the risk of adult-to-child disease transmission. This site will design spaces with physical distancing in mind, which may include utilizing larger areas and one-way traffic flow in hallways. Students who need the close proximity of staff to participate, including personal care needs, will be provided support with safety practices in place. Visual reminders of physical distancing will be posted around campus. Students who refuse to follow physical distancing parameters will be given one warning. St

### CLEANING & MAINTENANCE

#### We will support cleaning and maintenance of our campus by:

The District has established cleaning and disinfecting protocols that are implemented at all sites and include thoroughly and regularly cleaning high traffic areas and frequently disinfecting high-contact surfaces. The protocols incorporate standards for classrooms; food areas; restrooms; offices; general areas; and weight rooms, locker rooms, gyms and field houses. Staff are required to complete an online course for Insecticide Pest Management before returning to work on campus in order to utilize disinfecting wipes and other such disinfecting items. Wipes consisting of soap and water will be available in each classroom should students wish to wipe off their desk and chair.

#### HYGIENE - We will support routine and frequent handwashing by:

Students will be instructed to wash or sanitize their hands upon arrival on campus, during transitions between rooms, when using the restroom and at lunch.

- Hand sanitizer will be available in every classroom and throughout the school site.
- Sharing of supplies will be limited. Students are expected to bring their own supplies to campus.
- Visual reminders will be posted around campus.

#### ROUTINE TESTING - We will encourage and support staff testing by:

weekly PCR testing will be available for staff.

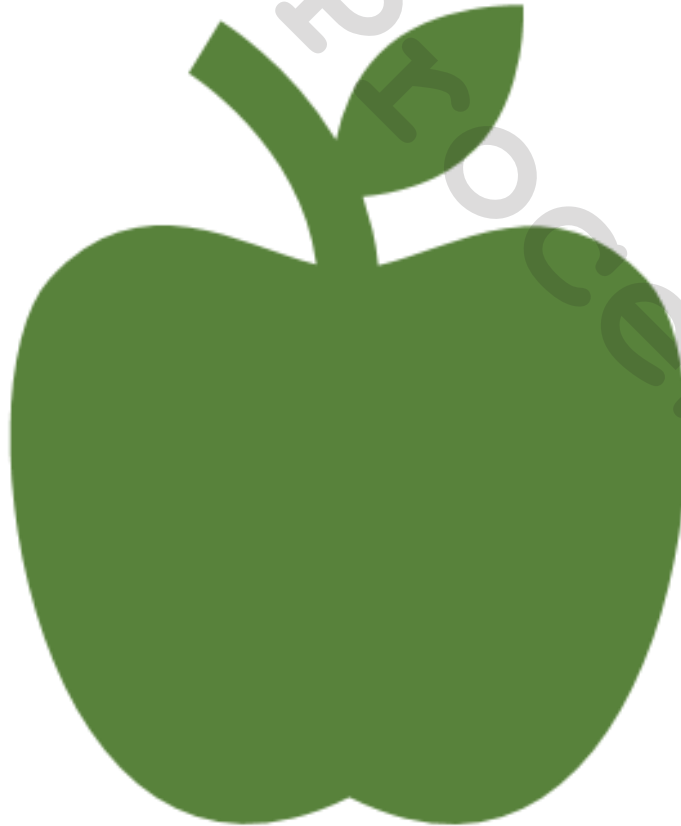

- **Families are required to report known cases of COVID-19 in their household to the school immediately. The school will report all known COVID-19 cases to Santa Clara Public Health.**
