

Tuesday, April 13, 2021

Dear Parents and Guardians,

I want to thank you for your continued support of Columbia Elementary School.

As you know, you received a letter Friday outlining how our school, along with all schools in Davis School District and across the state, are adhering to a standing state public health order regarding face masks. That order remains in effect until June 15, 2021.

Parent and student support of that public health order was fantastic yesterday as it has been throughout the year. It mirrors what the response has been to our “The Big Five” — hygiene etiquette, staying home when sick, wearing face coverings, physical distancing when possible, and cleaning and disinfecting — since the start of the school year.

Educating students during a COVID-19 pandemic is challenging, but we’ve been able to do that with your continued help. Once again, it’s an indication to me about the great community with whom I have the honor to work.

Sincerely,

Dr. Darryl Denhalter, Principal
