Families and friends of ELP,

- ❖ Is your child a rapid learner who puts thoughts together quickly?
- ❖ Does your child have an excellent memory or an unusually large vocabulary and complex sentence structure for his/her age?
- ❖ Does your child have an advanced comprehension of word nuances, metaphors, and abstract ideas?

If so, the district's Extended Learning Program may be a good fit for your child.

Applications for the 2021-2022 school year are available on the Extended Learning Program website. Check the ELP website for application deadlines, and assessment timelines.
