

INSTRUCTIONS FOR CREATING A 4- YEAR HIGH SCHOOL PLAN

1. LOGIN TO MYDSD

2. Go to CCR

4-YEAR HIGH SCHOOL PLAN

1. Click on each subject to see the dropdown menu with classes.
2. Choose classes that you are interested in, those that will help prepare you for your future career, and classes that will meet graduation requirements.
3. Look at a class description catalog as you complete the plan. Some classes have a prerequisite, and some are just available to certain grades.

Syracuse High Website → Parents & Students → Registration → Course Catalog

The exclamation point just means that you have not entered the credit requirements for that category.

This student is currently taking Exploring Computer Tech, which fills the Computer Technology requirement. See? No exclamation point!
