

Eagle Vision News – April 12th, 2021

Centerville Families,

It is wonderful to have our students in the building. Each school day, I walk past classrooms full of teachers teaching and students learning, and it is a wonderful thing to see. Thank you for continuing to practice the “Big 5”: hygiene etiquette, staying home when sick, wearing face coverings, physical distancing when possible, and cleaning and disinfecting. Your support is greatly appreciated.

During the last few weeks, our Community Council has been working on a Teacher-Student-Success-Plan (TSSP) for the 2022 school year. This year’s council has come up with a plan that I am quite excited about for the success of student learning at our school. These plans are an important part of our educational process. Though it may take some time for our new plan to be published, you can view this year’s plan on the District website under Assessments.

In other Community Council news, it is time to begin taking nominations for next year’s Community Council members. If you or someone you know would like to participate and/or be great for the position, please send your nominations to caijohnson@dsdmail.net. Nominations will be accepted from the 14th of April through April 24th. Elections are scheduled for May.

My quote of the day comes from Dr. Seuss: “Today you are You, that is truer than true. There is no one alive who is You-er than You.” Have a great week.

Mr. Holmes

Great Shake Out!

What is the Great Shake Out? It is an earthquake drill led by Be Ready Utah, our state’s emergency preparedness team. The earthquake drill will take place on Thursday of this week, and we are participating! Get ready to Shake, Drop and Cover, then HOLD ON!

2021-2022 Student Council applications due

Our fifth-grade students have been offered applications for student council positions next year. These applications are due April 15th. This year’s student council has been amazing in a difficult year! Those that qualify will be notified for an interview time. If you have any questions, see one of the sixth-grade teachers for more details: Mrs. Sainsbury, Mrs. Schmidt, and Mrs. Todd.

YEARBOOK orders

Our wonderful PTA has been working hard on our yearbook this year. We are still offering the yearbooks at the low price of \$15. The deadline for this price has been extended to April 30th. After April 30, the cost of yearbook purchase will increase to \$20. Payments may be made by check or cash in the office or paid for electronically on MyDSD.

2021-2022 Classroom Placement

Just a quick reminder that the Classroom Placement forms were due last Friday. If you would like to give input to your child's classroom placement for the 2021-2022 school year, fill out the form below. We will begin working on placements for next year very soon.

[Classroom Placement Form](#)

If your child will be attending another Elementary school next fall, please notify the front office.
