

Meeting: November 13, 2020
11:30 AM

Tracy Sjostrom
Amanda Gracey
Andrea Seminario
Alicia DeLeon
Aubrie Ramos

Discussed responsibilities--land trust plan, internet safety, School Safety plan, covid safety, recruitment

With this year's Land trust money, we have funded a teacher and 2 paras for literacy intervention

Our librarian, Lauren Ramsay, has internet safety resources for students and parents on her Canvas page

We will discuss a school safety plan in greater depth when we are back to in person learning. Parking lot and drop off/pick up can be issues.

Covid mitigation plans for school return are underway: sanitation, social distancing, hallway behavior, recess, lunch in classrooms, no assemblies or field trips, masks are mandatory

We need more members. Alicia and Andrea will reach out. Katie will put on social media. Andrea and Alicia addressed the challenges of participation right now given Covid. We will rebuild when we are back in person.

Amanda asked about additional training. She would like to be copied on communication and help with the agenda.
