HALF DAYS

The extended CARE hours program is not available during half days for school year 2020-21.

DROP OFF – PICK-UP:

The Michigan Department of Licensing & Regulatory Affairs (LARA), requires that drop off and pick up times be noted by the parent or staff member on each day of attendance.

Children will be required to complete a COVID assessment, and their temperatures taken prior to entering C.A.R.E. from home.

A Child Emergency/Information Record form must be completed for each child attending C.A.R.E., including permission to seek emergency medical treatment and designating who may pick up each child. C.A.R.E. staff will not, under any circumstances, release a child to an individual who is not designated by the parent in writing. **Persons picking up a child must provide picture ID.**

In cases where there are custody concerns, a dated and official copy of the court documentation is required whenever a child is not to be released to a parent.

If children are going to attend off-site activities (such as scouts, music lessons, tee-ball, soccer practice, Enrichment classes etc.) during the C.A.R.E. hours, the parent must provide information in writing of the schedule and activity. An adult must sign the child out to attend the activity and sign the child back in upon returning. The individual signing out the child and the leader(s) of the activity must be named on the Child Information Record signed by the parents.

LATE PICK-UP FEES:

Your child must be picked up promptly at the end day no later than 5:00 PM.

Be sure to list a neighbor, relative, or co-worker on your child information form. Having an approved release person will allow you to contact them to pick up your child if you find yourself running late and unable to pick up at the designated time.

Fees will be assessed beginning at 1- minute past 5:00 PM. Late Pick-up fee will be assessed at the following rates:

5:01-5:15 = \$20.00

5:16-5:30 = \$40.00

5:31-5:45 = \$50.00

5:46-6:00 = \$60.00

- ✓ Children not picked up within 1 hour of closing may be released to the Troy Police Department or Children's Protective Services.
- ✓ Lateness of 3 or more time will result in dismissal from the program.

UNSCHEDULED SCHOOL CLOSINGS:

- ✓ When school is unexpectedly closed for the entire day, C.A.R.E. programs will not be open.
- ✓ Check the Troy School District website for school closing information: www.troy.k12.mi.us.
- ✓ When inclement weather threatens, please listen for school closing announcements on the radio (WJR) or local television stations.
- ✓ We advise making alternate child care arrangements in advance should unplanned school closings occur.

School Closings Credits will be applied beginning on the third occasion of such an event (weather, power outages, building problems).

EMERGENCY SCHOOL CLOSING:

On rare occasions, district administration may determine it is necessary to dismiss school early after the regular school day has begun because of threatening weather conditions or other emergencies. On those occasions, the school office activates a telephone fan-out or email blast to inform parents. Be sure the school has the number where you can be reached during the day and inform the office if that number changes. School Messenger will send messages to the phone numbers you have requested. Afternoon sessions of C.A.R.E. Company will not be open when school is dismissed early in the day.

It is important that parents make plans for an alternate childcare situation. Parents should discuss with their child an early dismissal procedure to follow, such as picking up younger siblings and where to go in the neighborhood if parents are not home. This plan should be clearly understood by all children.

EXCLUSION DUE TO ILLNESS:

A child exhibiting or experiencing any of the following symptoms may not attend child C.A.R.E. These symptoms include vomiting, diarrhea, undiagnosed rash, green or yellow discharge from nose, an inflamed throat, redness or discharge from the eyes, or an elevated temperature. A child may also be excluded if he/she exhibits any other conditions that may be considered contagious to others. A child must be excluded until he/she is fever free for 24 hours without the use of medication, or unless the doctor provides a written note. Please keep the child C.A.R.E. staff informed of any medical concerns your child might have while in our C.A.R.E. Program. If a child is not well enough to attend school, he/she is not well enough to attend C.A.R.E.

Parents will be notified if another student, staff, or volunteer has contracted a communicable disease. Families will be notified by a notice posted in the center or by email.

COVID PREPAREDNESS AND RESPONSE PLAN:

Drop-Off & Pick-Up: Parents will bring child to the door without entering building. Use of PPE & Safety Protocols:

➤ Staff and students will be required to wear masks throughout the day, except when eating, unless state mandates allow for less mask usage. Upon center entry staff and students will sanitize hands. All staff and students will answer the Covid-19 protocol questions and have temperature taken upon entry:

Protocol Questions:

1. Do you have any of these symptoms that are not caused by another condition? Fever or chills • Cough • Shortness of breath or difficulty breathing • Fatigue • Muscle or body aches • Headache • Recent loss of taste or smell • Sore throat • Congestion • Nausea or vomiting • Diarrhea.
2. Within the past 14 days, have you had contact with anyone that you know had COVID-19 or COVID-like symptoms?
3. Have you had a positive COVID-19 test for active virus in the past 10 days? 4. Within the past 14 days, has a public health or medical professional told you to self-monitor, self-isolate, or self-quarantine because of concerns about COVID-19 infection?

- Should a child become ill during the day, the child will be isolated in a designated isolation area. Parents will be called to pick up the child and sibling(s) if applicable immediately.
- Should a staff member become ill during the day they will be sent home immediately
 - Should a student or staff member test positive for Covid-19, the center will contact the District and the Department of Health for further instructions
- Staff or students testing positive for Covid-19 must provide a doctor's clearance and negative test results before returning to CARE
- Any other illness will follow the illness protocol – a student/staff member must be fever free for 24 hours (without using fever reducing medication) before returning to CARE.

SERIOUS INCIDENT, ILLNESS, INJURY, ACCIDENT:

If a child experiences a serious incident, illness, injury, or accident while in C.A.R.E. (but not life threatening), the parent will be notified first by phone, email, or text. Upon contact with the parent, the parent will decide if they will come and transport the student to a hospital or home, or if the child will be transported immediately to a hospital where the parent will meet the ambulance. If the incident, illness, injury, or accident is life-threatening, 911 will be called first, and the child will be transported to the nearest hospital. Continuous attempts will be made to contact the parent or guardian. If the parent or guardian is not reached, an emergency contact person will be contacted. If a child is transported to the hospital, a staff member will go with the child to the hospital and remain with the child until the parent/guardian arrives. If the parent decides to transport the child, and while waiting for the parent to arrive, the child will be isolated from other children if there is concern for a contagious illness. The child will be comforted and monitored by staff until the parent, or an authorized release person arrives.

MEDICATION:

It is the Troy School District policy that all medications (prescription and over the counter) dispensed at C.A.R.E. require an authorization from the physician. Parents need to ask their physician to complete an Authorization for Medication Form to enable staff to dispense medication to your child. All medications must be in the original packaging with the pharmacy or packaging label intact. Medications must be presented to the childcare supervisor. Medications may not be in the possession of children. Please keep the C.A.R.E. staff informed of any medical concerns your child might have while in our care.

CONCUSSION AWARENESS:

All C.A.R.E. staff have received training for the signs and symptoms of a concussion. Staff will notify the parent/guardian when concerned about the possibility of a concussion or a child's safety. Parents must sign Concussion Awareness form indicating that they, too, are familiar with concussion signs and symptoms.

FOOD POLICY/LUNCHES & SNACKS:

Please be sure to send a nutritious snack each day for your child. (On half days, families must provide lunch unless other arrangements have been planned by the center.) Please limit sugary items. Please inform the center staff (in writing) if your child has any food allergies. When parents provide food for lunch or snacks for consumption during the C.A.R.E. portion of the day, parents must label the snack or lunch container/bag with the child's first and last name and the date.

Snack Suggestions:

Cut up veggies, granola bars, fresh fruit, applesauce cups, cheese & crackers, peanut butter and crackers, yogurt, string cheese, trail mix, humus, and chips.

CHILD-BEHAVIOR RELATED PROGRAM DISMISSAL POLICY:

The C.A.R.E. Program is a before and after school program offered at each of the Troy School District's twelve elementary schools. C.A.R.E. is designed to provide a safe, nurturing, engaging and fun environment for students. The C.A.R.E. environment differs from the school day environment in the following ways: Students in grades K through 5 are combined, centers can accommodate up to 90 children, there is an 18 to 1 child to childcare worker ratio, and C.A.R.E. is less structured than the classroom setting. While most children thrive in the C.A.R.E. Program, there are some children that find the environment overstimulating and distressing and thus may not be able to adhere to the C.A.R.E. Program's Expected Behaviors. To ensure a safe environment, children are expected to abide by the Expected Behaviors below.

Expected Behaviors:

- ✓ Respect the rights and property of others
- ✓ Act in a courteous and cooperative manner
- ✓ Use acceptable and appropriate language
- ✓ Be responsible for your actions
- ✓ Follow C.A.R.E. giver rules

Our goal is for the C.A.R.E. Staff to use positive methods of discipline to encourage self-control, self-direction, and cooperation. Staff talks with students and uses redirection and logical consequences to correct inappropriate behaviors. If inappropriate behaviors cannot be corrected, it may be necessary for the Discipline Process to be implemented. See pages 9-12 to understand the process.
