

INSTRUCTION

Organization of Instruction

The School District has instructional levels for Early Childhood Educations and grades Kindergarten through 12. The grouping and housing of instructional levels in school facilities shall be according to plans developed by the Superintendent and approved by the Board of Education.

Students, for instructional purposes, may be placed in groups within a school that do not necessarily follow grade level designations. For purposes of attendance reporting and other records, however, each student is assigned a grade-level placement.

Kindergarten

The District maintains a full-day Kindergarten with an instructional program that fulfills the District's curriculum goals and objectives and the requirements of the State law. The District also offers a half-day Kindergarten for those parents/guardians who request a half-day program.
