

# GRADUATION 2021

**GRADUATING SENIORS:** Below is a list of FPHS seniors. Please check this list to be sure your name is spelled correctly and printed the way you want it to be on your diploma. Then, click the link at the end of the list to confirm that your name is correct or to make any necessary corrections.

**PLEASE REMEMBER your diploma is a legal document; therefore the name that appears on the diploma should generally be your full legal name.** If your name is incorrect in any way, please provide your corrections by clicking the link at the end of the list.

*PLEASE NOTE: The fact that your name appears on this list **DOES NOT** automatically mean that you will graduate. You must meet all requirements in order to graduate. If you have questions, see your counselor! If your name is not on this list and you think it should be, see your counselor as well.*
