Starts and Ends at Todd Park Large Pavilion

More Than Pink is a program designed to inspire girls to stay true to themselves and live free from social stereotypes through lessons that empower girls to celebrate their bodies, honor their voices and embrace their personalities WHILE also training to run a 5K! This run is a celebration of the girls' successful completion of the program and recognition of all the women that assisted them along the way.

This is a fun run, every person joining us for the event is a winner!
