

Application for Rainbow Route 2016-17

All information must be filled in completely. Applications WILL NOT be considered if any information is missing. Bus rides are \$1 each way. There are many factors that go into bus placement such as pick up and drop off address, pre-school location and time of class. Therefore, we cannot guarantee spots on the Rainbow Route for any child. We do our very best to get as many children on the bus as possible.
