

Lackland ISD is currently registering current students who plan to return to school for the 2021-2022 school year. Your campus principal has forwarded school messages to share this requirement.

If you are a returning LISD resident/student:

Please click on this hyperlink [Returning Student Registration](#) to complete your 2021-2022 registration process. * Please note: Due to the high volume of movement during the pandemic, we are requiring that you provide the most recent housing lease. There are two parts to the returning registration process. Part I are local forms, and Part II are forms within the Ascender Parent Portal. You will need your child's parent portal ID to complete part II of the registration process. If you need your student's parent portal ID, please email your campus registrar.
