

IB ACADEMIC HONESTY CONTRACT

The program of teaching and learning at Marymount International School aims at developing in students the values reflected in the School’s Mission, the Goals and Criteria of the RSHM Schools, and, in the Secondary School, the mission of the International Baccalaureate Organization. The Marymount Learner Profile clearly and succinctly describes these values. In particular, in encouraging students to be thinkers and inquirers who are principled, the Marymount Learner Profile stresses the importance of showing independence in learning, making reasoned and ethical decisions, and acting with integrity. In our increasingly competitive world, with its explosion of disreputable Internet sites, the temptation for students to engage in academic misconduct continues to grow, and so, consequently, does the need for ethical academic practice. Such practice helps students to avoid the serious consequences of academic misconduct and to gain the knowledge and skills truly needed to succeed.

Please read the Marymount Learner Profile, the *IB General Rules and Regulations*, and the information below before signing this Academic Honesty Contract. Electronic copies of these documents can be found on the International Baccalaureate links on Managebac and on the School’s website www.marymountrome.com. By signing this contract, you recognize that students who breach it are subject to disciplinary action by the School and may be disqualified by the International Baccalaureate Organization from pursuing IB courses.
