

Dear Lamoille North Families and Staff:

The Vermont Department of Health (VTDOH) will be providing community vaccination clinics at our Green Mountain Technology & Career Center (GMTCC) campus from May through June 2021. These clinics will be held on the four Wednesdays in May (1<sup>st</sup> shot) and on the four Wednesdays in June (2<sup>nd</sup> shot) for anyone 16 years of age and older.

The clinics will be open from 9:00 am through 3:00 pm, with an estimated lunch break of 11:30 am to 12:15 pm. These clinics will be held in the Community Education Center (CEC) at GMTCC.

Sign-ups will be done through the VTDOH web portal:

<https://vermont.force.com/events/s/selfregistration>

Registration begins Monday, April 19<sup>th</sup>, for those 16 years of age and older. Parents and legal guardians can give permission for their minor to be vaccinated through the portal.

Walk-ins will be welcomed the last two hours of the clinic. All minors that walk in must be accompanied by a legal guardian or parent.

Please feel free to call the VTDOH at 802-888-7447 should you have any questions.

Thank you.

Flo Kelley, RN  
COVID-19 Coordinator
