2. Vanessa (55 minutes)

- a. SIP- We intensely reviewed each part of the SIP plan and will be taking a vote and noting any changes. As we discussed the plan, each member's comments/concerns were noted and addressed by Vanessa. Review and any changes must be noted by 4/16. Final vote and approval must be made by 4/20.

*We were the top ten in the state for growth in our first through third Acadience Growth! Amazing!

*Digital Citizenship was 100% completed by all teachers in the school.

*Next year's budget is awaiting the final account posting...hopefully we will know soon. We will be using funds for updating the rest of the sound systems in the school as well as new projectors in each classroom.

*The goal for Acadience increase will be about 3% for K-6.

*Annette wondered if prep teachers will be included in the training on SEL strategies? Yes.

b. 21-22 Elections

*Voting will occur at the end of year and will be posted on the school website. The council decided it was better to have elections at the end of the year as opposed to the beginning. It gives the members more time to prepare.

*Erika, Lisa, and Stacie will be continuing the council as well.

*We need 2 more community members.

*Michelle Berg offered to stay on.

c. Other

*Maggie will wrap our basket for the fundraiser and make it desirable!

*James Campbell is our new and wonderful principal. He will be attending our next meeting (4/13) in person.
