Update regarding High School Final Exams

April 16, 2021

The Holmdel School District recognizes the unique nature of this past year, which has led to questions regarding our final exam policy for high school students.

As in the past, juniors and seniors who maintain an overall average of 90 or better after all four marking periods will be exempt from the final exam. All students who are enrolled in an AP class will be taking the AP test associated with the course (which will be financed by the District). For all other students, a final exam or comparable assessment will be used.

If you have any questions about final exams, please contact High School Principal Brian Schillaci at BSchillaci@holmdelschools.org or 732-946-1832.
