Integrated Field Review, October 10th, 8:00 am – 5:00 pm

- Every district gets a visit to see how we implement educational quality standards
- We elected to do pilot so we're ahead of the game
- Our team also goes to another school
 - Principals elect teachers to participate on team
 - Cat, Deb, Wendy, Dana, Jade, Melinda and Jan are on team

Communication Strategies for Proficiency-Based Learning

- Reviewed News & Citizen article
- We have surveyed our teachers and provided professional development
- What would parents like to know? How can we help with that?
- Student-led conferences help
- A written key that goes with a report card
- A "question" booth at Open House
- Schoology

Can we look at enrollments at classes?

Are we looking at the needs of each class? Yes, next (2021) graduates and three after

Will look closely at professional based system; looking at who's on track for graduation.
