Special Edition #2 "Full Reopening of School" Newsletter, April 15, 2021

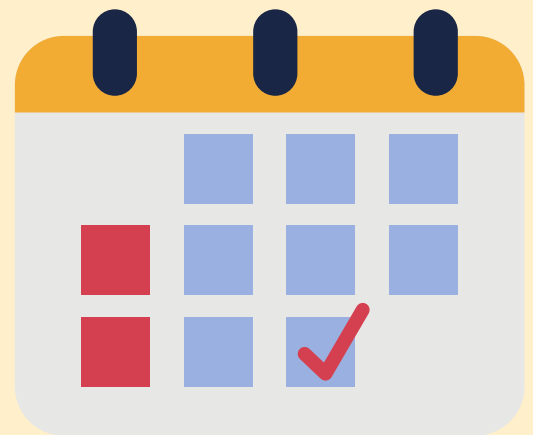

FULL REOPENING

Beginning Monday, April 19th, we will welcome both groups A and B onto campus FOUR days a week. Groups A and B will attend in-person learning on Monday, Tuesday, Thursday, and Friday. All groups will attend distance learning on Wednesdays. Group C will continue to attend school daily and remain in distance learning.

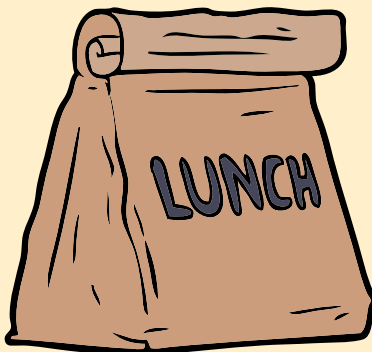

UPDATED HYBRID SCHEDULE

We have updated the Wednesday bell schedule to increase the amount of instructional time for each period. The other days (Mon., Tues., Thurs., and Friday) have the same bell schedule. Click here for the updated schedule --> [Updated Hybrid Schedule](#)

LANYARDS & LUNCH

Each student has been given their student ID and a lanyard. The lanyard must be worn during the school day, around the neck.

During lunch time, students may sit in an outdoor location that they choose. The following locations are closed to students: the Baseball field, the Tennis courts, parking lots, and Peabody Stadium.

Students must sit 6 feet from one another while eating since their masks will be off.
