

3 FEET RULE

The classrooms have been rearranged to provide additional seating and to maintain at least 3 feet between students. The teacher's desk continues to be 6 feet from students.

It is still important that when students are eating breakfast or lunch, they maintain at least 6 feet from one another since their masks are removed when they eat or drink.

SOCIAL DISTANCING

Keeping a safe distance of at least 6 feet between students and staff is critical to our safety.

Directional cues such as signs, arrows, and tape are being used to help with the flow of traffic. And, staff and students are encouraged to travel outside as much as possible.

The number of people in a restroom are limited and will be monitored by staff.

LEARNING SUPPORTS

We will continue to offer [Paper Tutoring](#) to all students. And, please be sure to take advantage of teacher office hours.
