LIBRARY

The SBHS Library is here to support all students, whether you are learning from home or in person. Learning at school? The library is open 8am to 4:30pm M, Tu, Th, and Fri. Masks and physical distancing requirements will be in place at all times. Given the necessity for masking, we ask that you refrain from eating in the library at this time. Learning from home? Distance learning students can take advantage of our research databases, accessible online 24/7, as well as our chat with a librarian service, available every school day from 8am to 4pm. At-home students can also request print books online and utilize our drive-up and pick-up service. Visit sbdonslibrary.weebly.com for more details. Questions? Please reach out to Ms. Bryan, SBHS Teacher Librarian, at sbryan@sbunified.org.
