How to sign up for early drop off and late pick up

Advanced registration is preferred to ensure appropriate coverage for the children. However, to accommodate changing needs, you may arrange the day prior accompanied by full payment. When dropping off your campers in the morning you must sign them in, and when picking them up in the afternoon you must sign them out. You may call the day of a camp day and have your camper stay late but you must call first, please. We provide this as an extra service knowing life happens. Should that happen, please call Dena at **860-428-8633**.
