The Paragon School PTA Charity Application 2021

The Paragon School PTA is a fundraising and social organisation which aims to stage a series of events and activities throughout the year for the enjoyment and benefit of pupils, parents, staff and the wider school community. As a not-for-profit enterprise, any surplus funds created through these activities are split between funding a range of school based projects and a donation to a nominated charity.

We are particularly keen for the children to be involved in learning about the work and importance of the charity as well raising money.

For the 2021/22 academic year, the PTA is seeking a new charity partner to support. Applications are now open for charities wishing to be considered as the nominated charity partner for September 2021 through to July 2022.

Charity selection process:

19th April 2021 – Charity applications welcomed

28th May 2021 – Charity application deadline

14th June 2021 – PTA Committee will shortlist two charities

By end June 2021 – The children will vote between the two shortlisted charities.

The application questions are on the next page and we welcome your application by email.

Yours sincerely,

Lucy Stone

PTA Chair
