

GENERAL INFORMATION

CCDSummer Programs are located on Cincinnati Country Day School's beautiful 62-acre campus. The campus features expansive athletic fields, gymnasiums, a performing arts theater, all-weather track, multi-age playgrounds, dining facility, 25-yard, 6-lane pool, 7-court tennis complex, amphitheater, hiking trails, playscape, and natural outdoor classrooms. **CCDSummer 2021** will offer a variety of day camps, courses, and athletic camps for children 18 months through entering grade 12.

Given our successful 2020 summer program and school year, we plan to offer a full in-person program this summer with some modifications. We will continue to strictly adhere to our [Covid-19 protocols](#) throughout the summer if the virus is actively spreading. With the high probability of Covid-19 protocols (masking, distancing, cohorting) still in place, we will offer two, four-week sessions for our toddler through entering first grade day camps and weekly options for our older groups. Historically, our camps fill quickly, and we expect there to be a high level of interest in CCDSummer 2021, so we recommend families register as soon as possible. Once camps fill waitlists will be compiled.

PROGRAMMING

- Programs run from June 1 through August 13. Course offerings and day camps have been scheduled to allow you to develop a summer schedule full of excitement, fun, and personal growth!
- Four-week session registration is available for toddlers through entering first grade campers. At this time, weekly registration is not an option for this age group. We will continue to reevaluate weekly camp enrollment based on prevailing conditions.
- Campers in entering second through sixth grade have the option to register by the session or weekly. This age group has shown their capability to follow the Covid-19 guidelines independently.
- Participation in camps is contingent on a daily pre-camp health screening.
- Some out-of-state and/or international travel could prevent a child from participating due to travel guidelines and the potential for quarantining. Please refer to the following websites for guidance:
 - [Ohio Travel Advisory](#)
 - [CDC's International Travel Guidelines](#)
- Day camp and Summer PE registrants must have a Student Medical Record Form on file before June 1. Current CCDS students are exempt.
- An online Covid-19 waiver is required for all campers.
- All buildings are zoned "nut-free" to accommodate those with severe nut allergies.
- CCDSummer employs a full-time nurse.
- CCDSummer Programs have partnered with iSPACE, New Leaf Kitchen, NIKE US Sports, and Tekulve Acceleration Sports Training.
- Enrollment is evaluated two weeks before the start date (30 days for courses for credit) to determine if registration is enough for the course to proceed. CCDSummer Programs reserve the right to cancel any course that has insufficient enrollment. Should a course be canceled, registrants will receive a full refund of course fees paid.
- Cincinnati Country Day School does not discriminate based on race, color, creed, sex, gender identity, sexual orientation, disability, age (40 or over), national origin, ancestry, or military service/veteran's status in the administration of its educational programs and policies, admission decisions, tuition aid programs, employment practices and benefits, athletic, or other school-administered programs.

DAY CAMPS

Day Camp offers children (ages 18 months through entering grade 6) a summer of creative and unique opportunities that promote growth and encourage discovery in an environment that instills a strong sense of self. Our beautiful 62-acre campus boasts indoor and outdoor learning spaces that promote exploration and collaboration, offering endless possibilities for learning, creativity, and imagination.

Our experienced counselors use our Virtues in Action (**Respect, Courage, Integrity, Compassion, and Responsibility**) as a guide to create positive and nurturing environments for children to gain knowledge, foster friendships, and take healthy risks, all while igniting curiosity and creativity.

A nutritious lunch and snacks are included, and after camp care is offered to families needing to extend the day.

We are excited to offer various day camp options that include **TOTAL** Connections Camp, Discovery Camp, Growing with Nature Adventure Camp, STEM Camp, and Creative Playtime Camp.

DAY CAMP DESCRIPTIONS

TOTAL Connections Camp is designed for our youngest campers, 18 – 38 months, to foster their first academic experiences and personal growth connections. The carefully designed environment offers endless possibilities for learning, creativity, and imagination supporting social-emotional development and self-help skills.

Toddler Tops is intended for children turning three between June 30 through December 31 who would benefit from additional social-emotional support or need to strengthen self-help skills, including a concentration on toilet training before entering our ECII program in the fall.

Activities include:

- investigation and discovery
- imaginative play
- nature connection
- creative art
- splash pad water play
- toilet training (if applicable)
- music and movement

Since we cannot safely guarantee social distancing while toddlers are in our pool, we will not include swim instruction as part of the program offering for our Toddler Tops camp attendees.

PROGRAM REQUIREMENTS

- Campers do NOT have to be toilet trained

POST CAMP

Creative Playtime Camp is a post-camp offering for ages 3 through entering Kindergarten and is designed to extend summer learning for working families. This camp allows children more unstructured playtime, which is critical to developing their brains and bodies. Facilitated exploration and activities will be open-ended and child-initiated, allowing campers the freedom to explore their interests while boosting their creativity skills. Time will be spent at our Outdoor Education Center (7125 House) and throughout our 62-acre campus.

Activities include:

- investigation and discovery
- imaginative play
- nature connection
- creative art
- splash pad water play

ACADEMIC COURSES

Adventure Camp

Register at: <https://www.connectionsacademics.com/adventure-crews>

Grades 1 – 6

Dates: 8/2/2021 – 8/6/2021

Times: 9:00 AM - 3:00 PM

Instructors: Jennifer Jensen, Connections Academics

Course Fee: \$300

Description: Adventure Camp creates opportunities for children to collaborate, problem-solve, tackle physical challenges, navigate risk, practice perseverance, and gain self-confidence. This is the perfect antidote for the hurried, overstructured lifestyles, digital distractions, and manufactured environments that leave children few opportunities to explore, create, take responsibility for themselves, and make decisions. Participants will be presented with a variety of outdoor survival challenges throughout the week, in addition to having plenty of time for unstructured play and exploration. Lunch is not included.

Call it a Comeback (A Return to In-Person Learning)

Grades 2 - 8

Dates: 6/29/2021 – 8/5/2021 (Tuesdays and Thursdays)

Students will meet for 12, two-hour sessions over six weeks, 6/29/2021 through 8/5/2021.

Times: 9:00 AM – 11:00 AM

Instructor: Valerie Gerber and Renee Pavlisko, CCDS Faculty

Course Fee: \$550

Description: “Where is my pencil? Do I do this by myself? Take a test? I am so confused! WHERE IS MY BACKPACK AND WHAT SHOULD I PUT IN IT?” These are the thoughts and questions racing through your child’s mind.

How has the Pandemic, masks, remote learning, physical distancing, and social awareness changed the classroom? This course is designed to fill your child’s backpack with non-cognitive, executive function, and metacognitive skills while focusing on collaboration, independence, and self-advocacy as they prepare to return to in-person learning in the fall. Time management is an essential skill in performing daily tasks, including planning, projects, taking tests, self-care, and classroom expectations.

Practice will feel like play as students reclaim the skills needed to acclimate back into the classroom and leave having agency.

Cooking and Food Exploration Club: Summer Party Favorites

Register at: <https://newleafkitchen.org/registration>

Kindergarten – Grade 4

Dates: 7/19/2021 – 7/23/2021

Times: 9:00 AM – 12:00 PM

Instructor: New Leaf Kitchen

Course Fee: \$250

Description: When children take part in growing and preparing their own food, they learn new skills and are more willing to try new foods. This camp will explore foods and the food process from the root up. Campers will make ten healthy snacks using fresh foods to practice food preparation skills and also enjoy hands-on art and gardening activities. Lessons nurture all aspects of learning (physical, cognitive, social/emotional, language arts), and encourage food exploration with all five senses. The course has a minimum enrollment requirement of 12 campers.

Recipes: Coconut Cream Iced Cream, Garden Artichoke Dip, Broccoli Tacos, Herbed Edamame Hummus, Iced Figgy Oat Bars, Banana Cream Milkshakes and many more!

Cooking and Food Exploration Club: All Rolled Up in Summer

Cool Chemistry

Grades 4 - 6

Dates: 8/2/2021 – 8/6/2021

Times: 9:00 AM – 3:00 PM

Instructor: iSPACE

Course Fee: \$350

Description: Join our group of mad scientists! Be prepared to brew, blend, and build while exploring bizarre and beguiling experiments. Cool chemistry concepts include acid and bases, chromatography, polymers, boats that run on soap, density, and more! This camp is sure to charm and captivate the chemist in you!

Handwriting and Phonics Bootcamp

Kindergarten – Grade 1

Dates: 6/21/2021 – 6/25/2021

Times: 9:00 AM – 12:00 PM

Instructor: Kathi Bagnoli, CCDS Faculty

Course Fee: \$200

Description: Campers will develop their writing skills using the "Handwriting Without Tears" curriculum to guide a multi-sensory approach to writing basics, including pencil grip, and proper letter formation. They will also review letter sounds and blending words, essential phonics skills to help build a strong foundation for early literacy. The handwriting and phonics activities use a hands-on approach, so children actively learn while engaged in various sensory modalities toward mastering handwriting.

Practical Life Skills

Kindergarten – Grade 2

Dates: 7/12/2021 – 7/16/2021

Times 9:00 AM – 12:00 PM

Instructor: Kathi Bagnoli and Prissy Schoeny, CCDS Faculty

Course Fee: \$225

Description: Everyday life skills are essential for gaining independence and boosting confidence. This active, hands-on week will focus on teaching practical life skills that will equip children for life. Making the bed, helping with laundry, setting the table, meal preparation, table manners, cleaning, and organizing will all be covered during this fun week of learning!

RoboBlast (LEGO® EV3 Robots)

Grades 4 - 6

Dates: 8/9/2021 – 8/13/2021

Times: 9:00 AM – 3:00 PM

Instructor: iSPACE

Course Fee: \$350

Description: Calling all cadets! Enlist in this exciting adventure where campers will work in teams to build and program LEGO® MINDSTORM EV3 robots. Combining LEGO robots, daily robotic challenges, a rocket, and new friends is sure to make this camp a blast!

SMArt (Science Meets Art)

Grades 1 - 3

Dates: 8/2/2021 – 8/6/2021

Times: 9:00 AM – 3:00 PM

Instructor: iSPACE

Course Fee: \$350

Description: What happens when a camper's inner Picasso meets their inner Einstein? The combination will cause reactions that will be filled with oohs and ahhs! Campers will not only discover that science is fun (and messy) but also how science plays an important part in the process of creating art and toys. Campers will also use robotics and coding along with other media to design one-of-a-kind masterpieces!

WeDo 2.0 Camp – Nature Bots

Grades 1 - 3

Dates: 8/9/2021 – 8/13/2021

Times: 9:00 AM – 3:00 PM

Instructor: iSPACE

Course Fee: \$350

Description: Explore the perilous side of nature from the comfort of your...LEGO® builds? Using LEGO's newest WeDo 2.0 robotics kits and programming platform, campers will be challenged to come up with solutions for some of the scientific world's most pressing questions. How do we save the bees? How can we prevent coastal flooding? What can we do for earthquake-prone areas? LEGO® Engineers will put their brains together to become the scientist of tomorrow! Are you ready to tame nature's fury?

ARTS COURSES
