- ✓ Children need to be able to participate in a large group care setting.  
SAC is not designed to provide long term 1:1 care for students

- ✓ Families must provide auto-debit payment information for bi-weekly charges.

As a Community Education Program in ISD #761, SAC will not deny or discriminate based on race, color, creed, religion or national origin in its enrollment policies.

## Processing Enrollment:

A minimum of three business days are needed to process enrollments

- ✓ Submit completed enrollment form online
- ✓ Pay non-refundable registration fee **\$25/family** (credit card is needed for online registering).  
\*\*\*\*\*SAC no longer accepts child care assistance\*\*\*\*\*
- ✓ Place an up-to-date and active auto debit on SAC account
- ✓ A preliminary confirmation email will be sent out after the contract is initially accepted. Please follow the link in the email to answer a few additional questions. If questions are not answered by June 1, families will be unaccepted from SAC and moved to the bottom of the waitlist.
- ✓ When questions are complete, families will receive another email confirming their enrollment into our SAC program. This email will include a payment schedule and official Welcome.
- ✓ If your child or children have any allergies that require Benadryl, Epi-pen, inhaler or medication, the following forms need to be filled out, every year, and returned to Roosevelt Community School, before the child will be allowed to attend SAC.
  - ✧ Care plan (steps to take if episode occurs)
  - ✧ Medication Request and Physician Authorization signed by physician (one for Benadryl, one for Epi-Pen, etc)
  - ✧ Medication must be supplied to our SAC site, due to confidentiality and safety the health office is unable to share epi-pens with SAC.

These forms need to be turned in every year by Sept. 1 or your child will be unable to start SAC.

**\*\*The health office and the school do not share any allergy or other information with SAC\*\***

SAC reserves the right to delay enrollment due to the need to increase staffing or to gather additional information about the student.

Space is limited. Families are enrolled on a first-come, first-serve basis.

**Enrollment is contingent on additional questions being answered. However, a child will still be unable to start SAC if medical forms or medications are needed and not supplied. We understand that this may be an inconvenience for some families but it is for the safety of the child.**

## **SIGN IN/SIGN OUT**

For your child's safety, the parent/adult who brings the child to SAC in the morning or who picks the child up in the afternoon must be included as emergency contacts on your family profile. They will be required to initial and record time on the sign-in/out sheets or sign the ipad. All children must be signed in/out by an adult or sibling, age 13 & over to morning SAC and from afternoon SAC. The ipad is not for children to use.

Staff will make every effort to greet parents as they come on site. In the event staff is involved in an activity with the children, please alert staff to your presence. Although we try we may not know the names of all pick ups by heart, please help us out by letting us know your name.

## **EMERGENCY CONTACTS**

In addition to parents, please list at least three people with local phone numbers on the emergency form who can pick your child up from SAC in case of an emergency. Unfortunately people who are out-of-town are too far away to help in emergency situations. It is important that families keep the staff and SAC office informed about changes for emergency contacts which can be updated in your online profile. Children will not be released to individuals not authorized to pick-up.

## **PARENT ARRIVING UNDER THE INFLUENCE**

SAC staff members, as school district employees, are mandated reporters of child endangerment concerns. If a parent arrives at SAC to pick up their child(ren) and a staff member has a reason to believe that the parent is under the influence of alcohol or drugs, certain steps will be taken.

## **SCHOOL YEAR SAC SITE**

If your child will be absent from SAC, please call the SAC Site. There is a 24 hour answering machine at each site.

Lincoln: 444-8122      McKinley: 444-8222      Washington: 444-8322      Wilson: 444-8422

If a child does not show up at site as expected, staff will follow up by calling home, work, and contact numbers on file.

**If we do have to make a phone call, families will be charged a \$5 no call fee.**

**PLEASE NOTE: The school office DOES NOT notify the SAC site when a child goes home from school early. SAC staff do not receive an attendance log from the beginning of the day.**

**Families still need to call SAC.**

## **PROCEDURE FOR LATE PARENT PICK UP**

SAC closes promptly at 5:30 p.m. according to the clock at the site. A late fee of **\$1.00** per minute will be assessed beginning at 5:31 p.m. Three late pick-ups could result in termination of the contract. Should a child remain at SAC after the closing time, the staff will attempt to call parents and any persons listed on your authorized pick up list.

**Should no one be available or able to come for the child, and if the parent has not arrived by 6:00 p.m., the Owatonna Police Department will be called.** The child will then be turned over to their custody.

## **PARTICIPATION IN ACTIVITIES OUTSIDE SAC**

Occasionally children leave during their SAC day to participate in various activities (i.e. choir, student council, helping a teacher, or other enrichment classes) after school. For children's safety, children are required to sign-in with SAC staff prior to attending activities after school.

## **VISITORS AND OBSERVATIONS**

Parents and community members who are screened by the coordinator in advance are welcome to observe the program. For liability and supervision purposes, it is not possible for non-enrolled children who visit the program to take part in activities.

# PAYMENT AND FINANCIAL PROCEDURES

## **PAYMENTS:**

Families contracting for school year care will receive a payment schedule with their second and final confirmation email. **All payments cover care for the upcoming two-week period.**

Families who have not paid their care fee by the due date or arranged for a late payment will not be extended child care. Children will not be expected at SAC until payment is satisfied. **SAC reserves the right to discontinue or limit service due to non-payment.**

SAC is fully supported by care fees paid by families. To ensure that program costs involved in securing payments are minimized, the payment schedule will be closely adhered to this school year. **SAC no longer accepts child care assistance**

**SAC will not issue refunds for those families who choose to pay ahead.**

**SAC will not issue refunds for student dismissal from the program, either through an earned leave of absence or contract termination resulting from unresolved student behaviors.**

The SAC program understands that situations will occur in family budget plans that prevent prompt payment and staff is committed to working with families who are proactive in communicating their need for accommodation. Questions concerning payment schedules can be addressed to Betsy Wilker, Program Coordinator (444-7922) or Deb McDermott-Johnson, Director of Community Education (444-7901).

# ILLNESS/MEDICATION PROCEDURES

**MEDICATION** Although SAC may not dispense medication for your child daily, there may come a time when we need to dispense medication (i.e. field trips, summer, Fun Days). Please become familiar with the following guidelines.

1. **Prescription medications** require a "**Medication Request and Authorization**" form that is completed and signed by both the parent *and* physician. Staff cannot dispense medication without the *Medication Request and Authorization* form on file or without a doctor's signature.
2. Prescription medication must come to school in the **original prescription container** appropriately labeled for the student by pharmacy or physician. Mixed dosage in a single container or dosage that needs to be altered will not be accepted. Medication in envelopes, baggies, etc. will not be administered.
3. **Non-prescription / over the counter medications** follow the same requirements as prescription medications if the parents want them administered in school. A "*Medication Request and Authorization*" form needs to be completed by the parents and physician. Medication must be in the original container, which clearly identifies the medication.
4. **Medications are generally not to be carried by the student.** If an exception is to be made (i.e. bronchial inhalers, bee sting kits), there must be a "*Medication Request and Authorization*" form on file with the school district and SAC site. Medication should be brought to school by the parent or guardian and left with the appropriate school representative, except as noted in a written agreement between the school district and the parent.
5. **The SAC staff must be notified immediately of any change** in the student's medication or if the medication is no longer required. For medication dosage changes, the school district must receive notification from the physician.
6. Planning for students who require medication on **field trips** must be done prior to the day of the field trip. It is the parent's responsibility to inform the staff of medication needs in advance of the field trip.

## INSURANCE

The program carries school district liability insurance. Families are encouraged to provide their own health/accident insurance coverage.

## ILLNESS/HEALTH PRACTICES

Owatonna Public Schools (including SAC) have the following practice regarding ill children:

1. Children who are ill must not be brought to SAC. This includes children with the following symptoms: fever, diarrhea, an undiagnosed rash, inflamed eyes, severe cold or sore throat.
  2. A child is sent home if displaying signs of physical illness and/or has a temperature of 100°F or higher.
  3. A child should be "fever-free" for at least 24 hours before returning to school (SAC).
  4. When taking antibiotics, a child must be on the medication for at least 24 hours before returning to school (SAC).
  5. If a child has been vomiting during the night, he/she should not attend school (SAC) the following day.
- If a child becomes ill at SAC, staff will have the child rest apart from the other children, and contact you to pick up your child. If you cannot be reached, the staff will contact the emergency back-up people listed on your child's emergency form.
- If your child comes down with a communicable disease such as chicken pox, head lice, pink eye or strep throat, **CONTACT SAC IMMEDIATELY.** When a communicable disease is reported, a note will be posted to inform other parents of exposure.

## ACCIDENTS

If your child has a minor injury (i.e. scrapes, minor bumps & bruises), you will be notified when you pick up your child.

If a serious injury should occur which might need medical attention (e.g. deep cut, sprains, and chipped tooth), the staff will call you immediately so medical attention can be sought.

In an emergency, the staff will call 911 and then contact you. After 911 has been called, it is up to the 911 team responding to the emergency to decide what actions will be taken. You will be responsible for medical charges.

**"Medication Request and Authorization"** forms are available at the SAC site, the main office at each school, and most local doctor's offices.

## PROCESS FOR PROMOTING SUCCESS IN ALL CHILDREN

SAC views *discipline* as an opportunity to teach children social skills needed to function successfully in daily life. SAC staff encourages appropriate behavior through clear guidelines, consistent consequences and positive staff interaction. When working with children, SAC staff remains proactive, guiding children in making appropriate choices and redirecting them as needed.

## PARENTS AS PARTNERS

To be more effective in working with children, SAC staff team up with parents to work on issues together. Ongoing communication between home, school and SAC promotes success for children. When staff understand children's needs, they can respond appropriately to those needs.

## PROMOTING SAFETY AND SELF-ESTEEM FOR ALL STUDENTS:

In order to maintain a safe and nurturing environment for all children, SAC will not tolerate any inappropriate behavior that hurts or intends to hurt others: physically, verbally, or emotionally. Children deserve a positive environment that helps them feel secure, fosters their self-esteem, and provides opportunity to develop new skills.

### INCIDENT NOTICE

When a child demonstrates consistent inappropriate behavior or needs that go beyond program expectations, staff will make every effort to remediate the problem. If their efforts don't bring success, a behavior Incident Notice will be issued and signed by the staff and parent/guardian.

An "**Incident Notice**" is issued when behavior is:

*Unwanted/offensive* -- intended to hurt others physically,

emotionally, or intended to damage property

*Repeated* -- intervention doesn't work, and ...

*Disrupts the site* -- impacting the well-being of other children and/or staff.

**First Notice** -- Warning to alert parents about behavior issues in SAC

**Second Notice** -- A meeting with parent, child, and SAC staff will be scheduled to discuss the behavior issues. An action plan will be developed at the meeting to promote the child's success in SAC.

**Third Notice** -- Five-day "behavior leave of absence" from SAC. The child may return to SAC as long as he/she follows appropriate program guidelines. **\*No refunds of fees will be issued on days when children are on a "behavior leave of absence".**

**Fourth Notice** -- Child care services are discontinued until the end of the school year. **Refunds will not be given.**

***\*The SAC Guidance procedures are intended to maintain a positive environment where children and staff can feel safe, respected and accepted.***

***\*To promote success for your child in SAC, please review Parent/Child/Program Expectations with your child before your child joins the program.***

### IMMEDIATE SUSPENSION

For the safety and benefit of all children in the program, SAC reserves the right to *immediately suspend* any child who:

- **Causes or attempts to cause physical injury to self or others**
- **Causes or attempts to cause destruction of property**
- **Leaves the designated SAC area with the intent to run away or hide from staff.**

Parent(s) will be notified IMMEDIATELY to come pick up their child. A meeting will be scheduled between parent(s), child, and SAC staff to discuss the child's behavior and the consequence of the behavior. The child may return to SAC after a five day leave of absence providing the child continues to follow SAC guidelines. **\*No refunds of fees will be issued on days when children are on a "behavior leave of absence".**

### UNABLE TO CONTINUE SERVICE

SAC strives to meet the needs of all children enrolled; however, occasionally our program is not in the best interest of a child. Reasons for SAC to discontinue service includes, but is not limited to:

- Abusive language and/or threatening behavior toward staff or other children by child or parent.
- Three or more late pick-ups during the summer.
- Failure to pay for services or set up payment plan within 14 days of receiving a billing statement. Notice of discontinuation of childcare services due to non-payment may be put into effect immediately.
- Child is unable or unwilling to follow staff direction or program behavior guidelines (i.e. wandering/running out of SAC area, destruction of property, physically, verbally, or emotionally hurting others, consistently acting out against staff).
- Child's behavior that can do harm to students, staff, or self (i.e. throwing objects, striking out with intent to harm, exploding temper that has the potential of causing physical injury

## ACTIVE WEAR

Children should dress casually and appropriately for the activities of the day. Children will be taken outside daily, except when it rains or wind-chill is below 0°F. Please send your child with appropriate shoes, hats, mittens, scarves, boots, snow pants and coats. If not able to go outside, children will have time in the gym.

Below is our SAC Weather Rule: Children should be coming with appropriate outdoor wear everyday.

↓40°F Kids need to wear a coat, hat, gloves etc.

40-49°F Kids need to wear a coat

50-59°F Kids need to wear long sleeves

## TRANSPORTATION

Transportation to the SAC sites from private schools can be arranged through the Owatonna Bus Company during the school year. There is no charge if your child already rides the bus to school. Field trip transportation will be by school bus.

## SNACKS

SAC will provide a snack each afternoon. Families must notify staff if there is a food allergy. **The health office does not notify SAC of allergies.** Notification of any allergies is the parent's responsibility.

*Families may participate in supplying a snack if they wish – it must be commercially prepared and in its original package.*

## CHILDREN'S PERSONAL PROPERTY

To protect your child's valuables; toys, iPods, cell phones and other personal property are **prohibited** at the SAC site.

## LOCAL FIELD TRIPS

Children may take advantage of local opportunities for fun and enrichment. Typical trips might include the public library or walk to a community park. Shorter trips will be walking, other times transportation will be by bus. Sometimes these trips are optional; care will be provided at the site for children who choose not to participate in the trip. On most occasions, trips will be taken by the entire group.

## COVID INFORMATION

Summer SAC follows all CDC, MDH and Governor mandates. All children attending Summer SAC must wear a face mask, wearing a mask is not optional. Families need to provide a mask for their children to attend Summer SAC. We have a very limited supply should a mask break, get dirty, or is lost. Students will need to be wearing a mask upon arrival. It is always a good idea to send an extra mask just in case.

**BULLYING PROHIBITION POLICY 514** A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with students’ ability to learn and teachers’ ability to educate students in a safe environment. The school district cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of the school district and the rights and welfare of its students and is within the control of the school district in its normal operations, it is the school district’s intent to prevent bullying and to take action to investigate, respond, remediate, and discipline those acts of bullying which have not been successfully prevented. The purpose of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation, violence, and other similar disruptive behavior.

**MANDATED REPORTING OF CHILD NEGLECT OR PHYSICAL OR SEXUAL ABUSE POLICY 414**

The purpose of this policy is to make clear the statutory requirements of school personnel to report suspected child neglect or physical or sexual abuse. The policy of the school district is to fully comply with Minn. Stat. § 626.556 requiring school personnel to report suspected child neglect or physical or sexual abuse.
