## ONLINE DUAL ENROLLMENT

### GRADES 11-12

## 2021-2022

Online courses fulfill graded WCA elective credits, not core course credits.

### OVERVIEW

Wesleyan has partnered with [Colorado Christian University](#), [Liberty University](#), and [Southern Wesleyan University](#) to offer a selection of online college courses.

This partnership allows juniors and seniors to earn college credits from a reputable Christian university while still in high school. Students take these courses online under the supervision of both instructors at CCU, Liberty, or SWU and a designated WCA faculty facilitator. WCA provides the time, place, and in-person support, while the colleges provide the instructor, curriculum, and transferable college credit. Online Dual Enrollment courses are either one quarter or one semester in length, and students may take up to, but no more than, two Online Dual Enrollment courses per year. Transferability of college credits is at the discretion of your chosen university.

### RECOMMENDED PREREQUISITES:

*An "A" average in previous courses (preferably Honors); a minimum combined score of 500 on PSAT Critical Reading and Writing; recommendations from current subject-specific teachers; any other course-specific prerequisites; and a course fee.*
