

Best of Bear Trap Participant Checklist

The following list is to help you and your child prepare and pack for our excursion to Bear Trap Ranch. If you have any questions about this list please contact us prior to the day of departure. Please keep in mind the type of activities we will be participating in: rappelling, rock climbing, crafts, and hiking. We have a fun and active trip planned, so please do not pack toys, books, electronic devices, or anything else that is valuable/breakable.

Cameras are the only thing we encourage to capture the great memories.
