

Boulton Elementary School Community Council Minutes

Zoom Meeting: April 8, 2021 @ 3:45 PM

People in attendance: Sammi Knell, Ryan Spencer, Tracey Terrill, Angela Mitchell, Alisa Mercer, Nathan Fidler, Alex Williamson, Jo Ellen Shaeffer, Tiffany Tuck and Mindi Barnes.

Minutes were approved by two council members.

Due to the new ESSR II Funds (additional funding provided by the government), we have the ability to increase the hours of our math TA, create/hire a second math TA, and create/hire a resource TA in special education due to the increase in number of students. With our ESSR II funds, teachers will also have substitutes provided and a stipend given for the upcoming LETRS training. Boulton Elementary will receive about \$51,000 over the course of two years for the above mentioned items.

The changes to the TSSP/TSSA plan were outlined once more by Principal Tiffany Tuck and a copy of the finalized plan was sent to the members via email.

It was voted and agreed upon to change our 2021-2022 Community Council meetings to Tuesdays instead of Thursdays at 3:45p.m.

2021-2022 dates will be:

Tuesday, Sept. 14, 2021

Tuesday, Oct. 12, 2021 (Introduction of new members)

Tuesday, Nov. 16, 2021

Tuesday, Jan. 11, 2022

Tuesday, March 1, 2022

Next year 2 new members will need to be voted in due to the vacancy of two members: Tracie Terrill and Angela Mitchell. Angela will be leaving us after many years of service to our school community council. Forms will be sent out Sept. 17th and returned by the 20th.

Meeting was proposed to be adjourned by Tiffany Tuck and the motion was seconded by another council member.
