The Character of Home®

Dear New Webb Parents,

On behalf of the faculty and the academic office, welcome to Webb! We look forward to working with you to produce the best possible educational experience for your child.

One of the first priorities for ensuring a successful transition to Webb is creating the appropriate academic schedule. In order to complete your child's schedule, please create an account in our student information system (Renweb/FACTS)*. Please follow these instructions:

Visit www.renweb.com/Logins/ParentsWeb-Login.aspx

Select "Create New Family Portal Account"

Enter Webb's District Code: TWS-TN

Type the parent e-mail address on file with The Webb School

Select "Create Account"

You will receive an e-mail with a link to "change your password"

Create a username and password for your account

*If you encounter any difficulties in setting up your account, please contact Melissa James, mjames@webbschool.com

To select courses, please answer the questions listed on the following page. Please email your responses to the Academic Office Registrar, Micky Donovan, mdonovan@webbschool.com.

Schedules will be available via Renweb/FACTS in early July. Once your schedule is available you will be able to order textbooks virtually through an online bookstore. Textbooks will be shipped directly to your home. You will receive an email with a link when the bookstore is open.

Boarding students are welcome to have books shipped directly to the school using the following address:
