On behalf of the faculty and the academic office, welcome to Webb! We look forward to working with you to produce the best possible educational experience for your child.

One of the first priorities for ensuring a successful transition to Webb is creating the appropriate academic schedule. In order to complete your child's schedule, please create an account in our student information system (Renweb/FACTS)*. Follow these instructions:

- Type the parent e-mail address on file with The Webb School
- Select "Create Account"
- You will receive an e-mail with a link to "change your password"
- Create a username and password for your account

*If you encounter any difficulties in setting up your account, please contact Melissa James, mjames@webbschool.com.
