PRINCIPAL MESSAGE

Dear Parents,

Thank you so much for attending Parent/Teacher conferences. I hope you were able to adapt to the new format of Zoom. If you were unable to meet with your child's homeroom teacher, please email this teacher to schedule an appointment.

As we finish Quarter One remotely, the administration and teachers have identified two areas of concern: attendance and work completion. We want to remind our community that even though we are remote learning, students are expected to attend their Zoom classes and complete their Canvas work.

In regard to low attendance, Glendale sent out a survey three weeks ago to parents about changing our schedule to better align with both East High and Mountain View Elementary. The majority of our parents voted for 4 days of Live Zoom instruction and one Digital Day on Wednesday.

On November 8, pending the district doesn't change our remote status, for Second Quarter, we will move to 4 days Live Zoom on Monday, Tuesday, Thursday, and Friday. Wednesday will be the only Digital Day. Please remember that if your child does not attend middle school classes, they are at risk of not graduating from High School.

Please reach out if you have any questions or concerns. We are here to help and are very thankful for your help in educating your child. Kind

regards,

Jill Baillie
