

CANISIUS HIGH SCHOOL

JESUIT PREPARATION *for* COLLEGE...FOR LIFE

April 20, 2021

Dear parents and guardians,

A parent/alumnus of St. Joe's has access to Pfizer vaccines and is willing to place an order next Monday for a vaccine clinic to be held at St. Joe's specifically for students ages 16 and older. The Pfizer vaccines must be ordered in allotments of 1100, so they have extended an invitation to all of the private /Catholic schools in the area.

EdCo, an educational collaborative of all of these schools, has agreed to help to coordinate this effort. They have put together a very short survey with the goal of getting this information *by Thursday night, April 22.*

If you would like to have your son and/or anyone in your family participate, please fill out the survey as soon as possible.

Survey: <https://www.surveymonkey.com/r/EdCoCOVIDvaccine>

Once they have determined if they can hit the goal of 1100 vaccinations, they will work out and communicate the final details and logistics to us.

Respectfully,

Andrea Tyrpak-Endres
Principal
