Booster Club News

Time for a BIG SHOUT out to our Cross Country runners! What an amazing achievement. Not only did the ABA VIPERS take the podium with 5 out of the top 6 placements within the MESAC competition. Additionally, all our runners positioned themselves within the top 17.

So let's give a big cheer to all runners - Stefan Klefasz (Gold), Fynnian Vallancey (third place Bronze), Oscar Vallancey, Markus Klefasz, Joseph Vallancey (also Bronze medal recipients) followed by Gabriel Tantoco, Stuart Sutton, Christian Sutton, David Haasler, David Pienaar, Yusef Loughrey, Darsh Pawani. And no, the runners didn't treat this virtual event like a walk in the park. Looking at the times they clearly put it all out and onto the track. After all, the winner, our VIPER student Stefan Klefasz, ran the 5K with a remarkable time of 17:14.75! And all others clocked as well with amazing times of ranging between 19:09.93 to 23:08:42. None of this would have been possible without the coaches who have been working tirelessly behind the scenes to make sure the runners can train and stay safe during these unpredictable times. So THANK YOU coaches Adrian O'Byrne and Paul Brace. And last but not least let's not forget the parents who ensured the students were able to train throughout lock downs and restrictions! Thank you all!
