PTA PRESENTS

INTERNATIONAL CULTURAL FESTIVAL

Sign up and represent your culture!

Growing diversity in classrooms these days makes sharing our and understanding others culture **VITAL**. We need to teach our kids that different countries although inherently UNIQUE in their histories & cultures are yet SIMILAR in many ways.

Please join us in celebrating our diversity and uniqueness by volunteering as a country coordinator. The parent volunteers simply need to-

- let the creative juices flow;)
- help with Country information in a provided fact sheet (see example on page 2)
- Help us spread word to the community

The tentative Plan

- is to balance between a virtual and limited physical celebration while keeping the ICF spirit alive in a different way.
- Activities such as a Kahoot for MS/HS, Participative activity for smaller kids (we shall share details soon), Dress up on the day and so on.

Counting on your support to make ICF a success.

To volunteer, <u>click here</u>. In case you face issues with the Google form, please email -ptamrep@abaoman.org with - your name, contact details and the country you plan to represent.

Booster Club News

It has been a long process and it was uncertain until the very last minute if it would happen but, yes, we can now give a big shout out and congratulations to the **ABA MESAC CROSS COUNTRY** participants who have ran very early on March 1st (6:45 - 7:15am!) at the Sultan Qaboos Stadium in Boucher. Despite Covid and the many restrictions, as well as the stop start nature of their training schedule, the students have been determined and dedicated to get back on the cross country 'track'. A big Thank You to all the coaches, as well as the Athletics Director who have all worked tirelessly behind the scenes to make this possible during these crazy times!

We might not have been able to be there in person this year, but the VIPERS spirit still goes on:

V-I V-I-P V-I-P E-R-S LETS GO VIPERS

Everywhere we go (everywhere we go) People wanna know (people wanna know) Who we are (who we are) and where we come from (and where we come from) so we tell them (so we tell them) we are the Vipers (we are the Vipers) the mighty mighty Vipers (the mighty mighty Vipers) lets go Vipers

And just heads up - the MESAC Track and Field is scheduled for March 14th - 17th!

Thank you all parents who came to pick up their pre ordered hoodies. This only works with your participation and it is great to see how we all adjusted to the new collection process!

The Booster Cub is planning one more hoodie order and pop up shop before the end of the school year. Dates and times will be distributed once confirmed! So, stay tuned!

Don't forget to send in those tasty snack recipes of yours! Let's bring back some excitement and creativity when it comes to snacking on campus, respectively preparing the snacks!
