2019 – 2020 Accountability Ratings

On August 17, 2020, the Texas Education Agency issued final district and campus accountability ratings. Due to the disruptions caused by COVID-19, all districts and campuses in the state of Texas have received an accountability rating of **Not Rated: Declared State of Disaster** for the 2019 – 2020 school year.

This rating label indicates that due to extraordinary public health and safety circumstances, the closure of schools during the state's testing window inhibited the ability of the state to accurately measure district and school performance.

As a learning organization, Lockhart ISD believes in continuous learning and improvement and looks forward to exhibiting what its staff and students can do for the 2020 – 2021 school year. Lockhart ISD will continually review data, seek feedback, and identify ways in which performance can be raised to a higher level.
