Explain why there is no internet at home? (Please use the back of the application, if needed)

Eligibility

1. Student lunch and textbook rental status is free/reduced.
2. Student does not have access to internet at home.
3. Student does not have access to internet due to other circumstances.

The Kajeet hotspot allows your child to safely complete school homework and assignments using the internet. The hotspot provides filtered mobile broadband connectivity to a 4G network so students can safely access the internet while at home. When using the hotspot, the Chromebook is filtered specifically for school assignment use; inappropriate and non-education content and cannot be accessed.

When the application is approved, your child will be able to check-out a hotspot through the Media Center for one, two or three days at a time. The hotspot must be returned the morning after the agreed upon term is completed. For example, if the hotspot is checked out for one day, it must be returned to the Media Center the next morning. Time may be extended for a student at a teacher's request based on the assignment. If a hotspot is not returned, the hotspot will be disabled, the parents will be notified, and a \$5 late charge will be assessed for each day that the hotspot is returned late.

Information

1. The hotspot is borrowed by the student for up to 3 days at a time, as needed. A 3-day period does include Friday-Saturday-Sunday or Saturday-Sunday-Monday. Borrowing the hotspot for extended school vacations (i.e. Spring Break) may be requested and approved.
2. The hotspot is the property of Crown Point Community School Corporation.
3. The school principal or designee reserves the right to revoke the hotspot privilege from the student.
4. Only one hotspot may be checked out per student.

Student and Parent Agreement

I have read CPCSC Acceptable Use Policy and agree to follow all terms and conditions.

While I have the hotspot checked out:

- I am the only user and completely responsible for its safety and use.
- I am responsible for the cost of any damage or loss that results from accident, theft, misuse or neglect.
- I will use the hotspot in a responsible manner.
- I will not attempt to or download or install any applications, extensions or files onto my device.
- I will immediately report any loss or damage of the hotspot to the Media Center.
- I will not attempt to fix the hotspot.
