

Chemistry Teacher 2021-22

The Ursuline School is a private, independent Catholic college preparatory school for girls from grades 6 through 12, established in the spirit of St. Angela Merici, foundress of the Ursuline Order. It is known for its rigorous academic program, its robust service opportunities, and its dedication to the education of the whole person. The school is located in New Rochelle, New York.

Position: Full Time – Chemistry Teacher

Starting: July 1, 2021

Prospective applicants must demonstrate the ability to provide both content based and conceptual Chemistry lessons. Applicants must also be comfortable collaboratively planning curriculum and Project Based Learning Initiatives.

Responsibilities:

- Plan, structure, and implement interactive lessons and labs that develop students' critical thinking and problem-solving skills.
- Effectively use appropriate technology and tools in science teaching.
- Work as an active, collaborative member of the Science department, grade level and schoolwide teams.
- Keep students and parents well informed of student progress by providing feedback, focused learning intentions and clear success criteria.

Experience/Qualifications:

- A bachelor's degree or higher in Chemistry and/or Physical Science or Science education
- Prior teaching experience
- Excellent communication skills
- A master's degree or teacher certification is preferred.
- Physics teaching experience is a plus.

To apply: Please submit a cover letter and resume to: employment@ursulinenewrochelle.org

The Ursuline School is an equal employment opportunity employer committed to hiring faculty, administration and staff of diverse backgrounds. Our community promotes a respect for individuals regardless of race, color, religion, national origin, sex, age, disability, or any other state or federally protected classification.
