A message from the Parents Guild

Dear SRDS Community,

On behalf of the Saddle River Day School Parents Guild, welcome to our 2021 fundraiser, Vine & Basket! When we began planning this event back in January, we weren't sure what late April would look like. Would there be another lock down? Would everything be back to "normal"? Something in-between? We struggled to balance our planning pragmatism with our hopeful optimism. So we thought a shortened, outdoor event with a virtual option could allow everyone to enjoy our wonderful community in the way they are most comfortable. We've never hosted a hybrid fundraiser before, but we were willing to learn and try. Out of that, Vine & Basket was formed. It was planned for and inspired by SRDS, a prime example of how with perseverance and ingenuity, we can adapt to unexpected difficult conditions and never stop growing.

It seems only natural that the proceeds from Vine & Basket are dedicated to the SRDS COVID-19 Response Fund, the pool of resources that allowed our children to learn and grow safely all year, and will continue to protect, educate and enrich our students into 2022. Over this past year, as we witnessed school closures and educational standards slipping across the world, it has really accentuated how incredibly fortunate the SRDS children are. The administration did not hesitate to put every effort into keeping our school open in a safe way and they spared no expense to bring top notch technology into every classroom to insure an exceptional education whether students are remote or in school. Our compassionate and innovative faculty & staff worked tirelessly to implement the new technologies and procedures and our children continued to bloom. The SRDS COVID-19 Response Fund will ensure that our children will have a safe, nurturing and highly educational school environment alongside a cutting edge virtual option into next year.

By participating in Vine & Basket, you will help to fulfill this vital mission. Thank you very much for your support and enjoy the evening!

Amy & Joni

A message from the Head of School

Dear SRDS Community,

Welcome to Vine & Basket, the Parents Guild spring fundraising event! We are so grateful to come together as a community in support of our school. The proceeds from this event will be dedicated to the SRDS COVID-19 Response Fund. This fund was originally set up to help offset the cost of the many resources we needed to safely open Saddle River Day School this past year. With much planning, innovation and new technology, we were able to provide an exceptional education for our students both in person and remotely.

Our community has been incredibly supportive of our initiatives this year and we are very grateful. Unfortunately, the need for this fund will continue into the 2021-2022 school year as we proceed through this pandemic, but we are a resourceful and committed community and we will continue to grow and thrive regardless of any obstacle. Please know that your support is greatly appreciated and your generosity makes keeping up with the newest technology, teaching strategies, and more possible at SRDS as we navigate our new virtual world together.

Whether you donate to this event, plan to bid on items, or just want to enjoy a lovely evening in our courtyard with fellow parents, teachers and administrators, on behalf of the entire SRDS community, I thank you for your support.

A message from the Board of Trustees

24 April 2021

Dear Friends,

Welcome to the 2021 Annual Spring Fundraiser! Please join me in extending a tremendous and heartfelt THANK YOU to the amazing members of the Parents Guild and the Administration who worked together to make this possible.

Each Spring we are provided with the opportunity for the entire Saddle River Day School Community to come together for an evening of camaraderie and celebration in support of our school. This year's event, like last year's, is a first-of-its-kind at SRDS; we have been offered the opportunity to be present on campus or to participate virtually from the comfort of our own homes. The funds we raise will be directed toward the SRDS COVID-19 Response Fund, dedicated to keeping our school open and safe as we continue to navigate the ever-changing landscape of the global pandemic.

On behalf of the Board of Trustees, thank you to each and every member of our community for your generosity. Collectively through the various methods and platforms that you donate to SRDS, you secure the mission of this school for today's students as well as those who will walk these grounds in the future.

I look forward to an enjoyable evening together.

John Haller
President, Board of Trustees

A message from the Director of Development

Dear SRDS Community,

What a tumultuous year it has been! We are extremely proud of the resiliency and commitment of our faculty and staff in delivering a COVID-19 action plan that prioritized the health and safety of the community while delivering a high quality education.

In response to the unexpected expenses resulting from the pandemic, the COVID-19 Response Fund was created to offset investments in 3 key areas:

- Health & Safety -- investments in PPE (hand sanitizers, wipes, cleaning supplies, Plexiglas shields, and other protective equipment), mandated campus renovations, air filtration, new cleaning protocols, and hiring of additional staff.
- Technology -- increased bandwidth, internet and electrical upgrades, and equipment and software purchases (cameras, monitors, smart boards, document cameras, headsets, iPads, Chrome books, Zoom).
- Need-based Financial Aid -- investments in need-based aid increased by 5% and the number of families receiving aid increased by 4%.

This past fall the Development Office introduced this fund to a select group of donors whose generosity enabled us to offset a significant portion of our COVID-related expenses. Yet some of these expenses will continue into the 2021-2022 school year, and that is why the Parents Guild has graciously chosen to donate the proceeds from tonight's Vine & Basket event to the COVID-19 Response Fund.

We are immensely grateful for the support of the Parents Guild and the entire SRDS community for coming together for the benefit of our students. A very special thank you goes to the Vine & Basket committee for the work they have done to create this amazing event!

I hope you enjoy this beautiful evening. It is a wonderful opportunity for our community to get back together again -- something we all hope to see much more of in the near future!

IN MEMORIAM

Diane Alford 1925-2021

We fondly remember the life and legacy of Mrs. Diane Alford. Diane and her husband John founded *The Saddle River Country Day School* in 1957. With John's passing in 2016, Diane remained an engaged supporter of our school.

We are eternally grateful to experience their vision of what an independent school in Saddle River should be.

"Never in John's and my wildest dreams, did we envision what the school has become today."
