

Origami & crafts

Goal:

Our community project was an origami and crafts CCA for students in Grades 2 - 4. We created a variety of crafts, including paper hot balloons, origami bats and paper snowflakes. Through these CCA sessions, we not only encouraged our students to be creative but also developed a variety of skills ourselves through preparing and presenting our lessons.

Global context:

Personal and Cultural Expression

ATL Skill:

1. Accessing information to be informed and inform others
2. Meeting class schedules and deadlines
3. Practicing strategies to reduce stress anxiety
4. Practicing flexible thinking by viewing multiple perspectives
5. Help others when appropriate and encourage contributions from others
