Our Notre Dame family is stronger than ever.

# WHY IS THE FUND FOR NOTRE DAME SO CRITICAL?

THE ANSWER IS SIMPLE  
**Our Notre Dame students need us.**

For more than 60 years, Notre Dame High School has gone above and beyond to educate young women and men to realize their full potential through a faith-filled environment, challenging academics, extensive co-curricular activities, and a commitment to citizenship and service in the community.

The 2020-21 academic year is no exception. Even in this unprecedented time of COVID learning, Notre Dame remains committed to what's most important—academic excellence, tradition, and family. From academics to student life experiences, Notre Dame faculty and staff have come together to create and deliver an outstanding educational experience.

This is possible, in part, because of the Fund for Notre Dame. Your annual gift ensures that today's students will gain the critical thinking skills, the confidence, and the religious strength to be well prepared for college and life.

*More than ever, Notre Dame needs your support and participation at all levels as we navigate today's challenges. Together, we can demonstrate to our students the loyalty and commitment of our Notre Dame family.*
