Sometimes an extenuating circumstance(s) on a campus may merit an exception to one or more of the staffing guidelines. Extenuating circumstances could include unusually high numbers of a certain special population of students, unique features to the facility, special programs on a campus that merit more time for staff, etc. When the principal believes that there is justification for additional staff because of the extenuating circumstances, the principal must submit a proposal to their Area Assistant Superintendent for consideration. The Area Assistant Superintendent will meet with the Assistant Superintendent for Human Resources and the Chief Financial Officer and a recommendation may be made to the Superintendent.

All Supplemental positions must be documented as a need in the Comprehensive Needs Assessment in the Campus Improvement Plan and must also have an activity documenting the provision of allowable services. Positions are based on student enrollment numbers and subject to the availability of funding. When the principal believes that there is justification for additional staff because of the extenuating circumstances, the principal must submit a proposal to their Area Assistant Superintendent for consideration. The Area Assistant Superintendent will meet with the Human Resource Administrator and the Chief Financial Officer and a recommendation may be made to the Superintendent.

The four minimum semesters of PE/Athletic classes for both genders will be scheduled during grades 7th and 8th. It is strongly recommended that A pre-athletic class for 6th graders be offered at the Middle School level. According to research, it is highly recommended that students complete 6 semesters of Athletics in order to ensure a strong middle school foundation that will be <u>vertically aligned</u> with each respective high school athletic program.

JROTC SALARY FORMULA

BROWNSVILLE INDEPENDENT SCHOOL DISTRICT

JROTC SALARY FORMULA

2017-2018

BISD's Share

1. Base Salary from Teacher Base Salary Schedule divided by 187 Days equals Daily Rate
2. Daily Rate Times 220 days equals Annual Salary per BISD

Department of Defense's (DOD) Share of Minimum Instructor Pay (MIP)

1. 50% of the MIP stated on the Acceptance Letter from the DOD
2. Multiply the 50% of the MIP by 12 equals Annual Salary per DOD

Formula

BISD's Annual Salary (Teacher Base Salary Schedule) + DOD's Annual Salary (50% of MIP)
= Total Annual Salary

Total Annual Salary / 12 = Monthly Income

Note:

1. Dock Rate: For BISD's Share – by Board Policy.
For DOD's Share - by DOD's Policy.
2. MIP is determined by calendar days from January to December at 30 days per month.
3. JROTC (Air Force): Brownsville ISD received word that reimbursements will change from 12 months to 10 months. The District will not reduce the salary amounts despite the reduction in funding. Subsequent to change.

BISD does not discriminate on the basis of race, color, national origin, sex, religion, age, disability or genetic information in employment or provision of services, programs or activities.
