

Grade:		Special Area
Physical Education <i>CREATING</i> Dribbling with hands/feet: Dribble a ball using your hands or feet, place objects to dribble around or under to make a course and see how long it takes to dribble through without losing control. Dribble using hands then feet, which is harder? Take a picture of your course for all to see.	ART and STEAM <i>APPLYING PAST KNOWLEDGE</i> Design and build a spaceship. EXPLORE what others have done using the Star Wars movies, shows, or books. Sketch out your idea. What details will you include? What colors will you use to decorate your ship? After designing, find objects around your house that you can use to build a 3-D model. (LEGOS, paper	 Computer <i>PERSISTING</i> Learn to program droids, and create your own Star Wars game in a galaxy far, far away. Go to https://code.org/starwars to play.
Music <i>APPLYING PAST KNOWLEDGE TO NEW SITUATIONS</i> Look up Jimmy Fallon, The Roots, and "Star Wars: The Force Awakens", Star Wars Medley on YouTube Listen and watch the video. What do you notice about the performance? What makes it unique? What special music words can you use to describe it? Can you do this with your family?	Computer <i>RESPONDING WITH WONDERMENT AND AWE</i> Star Wars is full of amazing technology which one is your favorite? Why? Do you see anything that we use now or something that is similar to tools we use now?	Library <i>THINKING AND COMMUNICATING WITH CLARITY AND PRECISION</i> Create your own "Weird But True" book. Your book may be full of fun outrageous facts. An example is: The Arches of a McDonald's in Sedona, Arizona are turquoise instead of yellow. From: Weird but True! 7
Music <i>CREATING, IMAGINING, INNOVATING</i> Kazoos! Wax Paper, Markers, Rubber Band, Scissors, Bowl to trace a circle, Empty toilet paper roll 1) Decorate toilet paper roll if you like. 2) Place bowl large side down on top of wax paper and trace it. Cut the circle out. 3) Make a small hole in the middle of the toilet paper roll. 4) Cover one end of the toilet paper roll with wax. 5) Use open end to make kazoo play. See if you can use the same steps with larger cylinders to create larger kazoos. How does the sound change?	Physical Education <i>PERSISTING</i> Star Wars Challenge Pick a character from attached list and complete the exercises to spell out the name. You can do as many as you like. When completed draw a picture of your character(s) and post to classroom or twitter account. MAY THE FORCE BE WITH YOU!	ART and STEAM <i>APPLYING PAST KNOWLEDGE TO NEW SITUATIONS</i> Design and build a droid. EXPLORE what others have done using Star Wars movies, shows, or books. Some Star Wars examples include C-3PO, R2-D2, and BB-8. Use materials that would normally be thrown away or recycled to build your droid What special abilities will your droid have? What will you name it?
Library <i>CREATING, IMAGINING, INNOVATING</i> Flat Star Wars Character Design a paper character of like Flat Stanley of your favorite Star Wars character to take around your house, outside, or wherever you go. Write, color pictures, create a list, take pictures etc. about your adventures. If you are feeling more adventurous send it to a family member or a friend for you to have social distancing fun with them.	Music <i>CREATING, IMAGINING, INNOVATING</i> Using a paper towel roll, toilet paper roll, pringles canister, or any other cylinder create your own rainstick: use rubber bands or tape to close 1 end of the tube Use pipe cleaner, rolled up paper, aluminum foil or your own idea to create a spring shaped object. Place the spring in the tube and add beans, rocks, marbles, rice, or other material to create the rain sound. Close off the other end of the tube and try your rain stick. Decorate	Music <i>RESPONDING WITH WONDERMENT</i> Add sound effects to your favorite story or book. Use your voice, body and things around your house to create different sounds.

MAY THE 4TH BE
WITH YOU!

A = 30 Jumping Jacks
B = 20 Sec. Plank
C = 15 Squats
D = 15 Push-ups
E = 30 Sec. Wall Sit
F = 10 Burpees
G = 20 sec. arm circles
H = 10 Squats
I = 30 Jumping Jacks
J = 40 Sec. Plank
K = 10 Push-ups
L = 30 Sec. Run-in-Place
M = 5 Burpees

N = 25 Jumping Jacks
O = 30 Sec. Side-to-Side Hop
P = 15 sec. arm circles
Q = 1 Min. Plank
R = 15 Push-ups
S = 15 Sec. Run-in-Place
T = 10 Squats
U = 30 sec. arm circles
V = 45 Sec. Plank
W = 20 Burpees
X = 25 Jumping Jacks
Y = 10 Crunches
Z = 10 Push-ups

Pick a favorite character and complete the exercises to spell their name. How many characters can you complete? When finished draw a picture of your character(s) and post to your class or twitter account. Good luck!
