

Grade: Special Area		
Physical Education MANAGING IMPULSIVITY 4 Square - If you have a playground ball and a garage or driveway, you can play a game of 2 square or 4 square with a family member. Draw a court with some chalk and have fun!!!	STEAM QUESTIONING AND PROBLEM POSING Design and build an arch that is as tall as it is wide. Build at least 2 using different materials such as paper, straws, pipe cleaners, or foil. It should not be attached to a table or floor. Which material is easier to work with? Which material holds a shape best? Which material stands best? Are any sturdy enough to hold weight or stand in	Art CREATING, IMAGINING, AND INNOVATING Design a cool playground space for your backyard or apartment complex. What would you include? Swings, a basketball court, pool, a tree house, a zip line? Add one surprise element that is unexpected
Art and Music GATHERING THROUGH ALL THE SENSES Select a song of your choice and create a picture of how the song makes you feel. You can use simple lines, shapes, colors, or possibly even splatter paint to go along with the rhythm of the beat, or draw an actual picture of what the song might remind	 Computer TAKING RESPONSIBLE RISKS I set up a Padlet for different technology task for each grade. Here is the link: https://overallcreek.padlet.org/kbrown/tech	Library THINKING INTERDEPENDENTLY Read 20 minutes Read in the dark with a flashlight!
Music CREATING/INNOVATING Make an African Thumb Piano. Supplies: 1 Empty shoe/cereal box, tape, scissors, 3 or 4 bobby pins, markers. Tape the box completely shut. Cut a circle the size of your hand in the top of the box. Pull each bobby pin into the shape of a V. Tape them to the hole about halfway over the hole rippled sides up. Decorate box if you wish. To play, pluck the bobby pins to creat	Physical Education PERSISTING How many sit-ups can you do in a minute? Find someone at home to time you. Hold your feet and count the number of sit-ups you can do. Let us know how many you did on twitter!! Mr. Bartch can do 20 sit-ups in a minute and Mrs. Ortiz can do 40 sit-ups in a minute. Can you beat either one of them?	STEAM QUESTIONING AND PROBLEM POSING Design and build a device to sort coins. It can be any size or shape and use any materials. Can you sort at least 3 different coins into their own section/container?
Library FINDING HUMOR Graphic novel, cartoon, comic strip, Oh My! Design a graphic novel. Create a cover and a catchy title. Make a simple one or create chapters!	Music THINKING FLEXIBLY Use the song "Humpty Dumpty"...BUT...change the ending. This time he DOES get put back together again!! For example: Humpty Dumpty went on a wall, Humpty Dumpty started to talk. All of the cows and all of the goats thought he sounded like squickety squack.	Music APPLYING PAST KNOWLEDGE TO NEW SITUATIONS Using movement we learned in class, create your own folk dance or partner dance. You can find several "Folk tunes" or songs on You Tube to use with your dance creation.
