

Grade:		3rd
Thinking Flexibly: Write your own "I Survived" story about the pandemic. Make sure to write about your own situation and analyze what is going well and what could have gone better.	(Creating, Imagining, Innovating) Engineering: TSIN: Create a marble roller coaster. Be sure to try to include all the twists and turns your favorite ride has! Think about the elevation you will need to get the speed you want for your ride. If you don't have a marble, create a roller coaster for another household object. Be sure to share your pictures/videos with your teacher!	Listening and Understanding with Empathy: Write a letter to the class to share some of your favorite school memories. This letter can be addressed to your classmates to your teacher. Examples: "Dear Friends" "Dear Classmates"
Listening with Understanding and Empathy Write 15 words that describe you. Ask your family to write 5 words about you, do they have the same words? Discuss why or why not.	Questioning and Problem Posing Play a question game with a partner. One person thinks of a number between 1 and 9,999. The other person asks 10 yes or no questions to guess the number. (Ex. Is it odd? Is it less than 50? Does it have a 2 in the tens place?)	Taking Responsible Risks: National Eat What You Want Day: Create a menu for your family dinner. Get creative when deciding and get ready to prepare the meal...with some help, of course
Gathering Data Through all Senses Identify and illustrate the phases of water. Chart the various phases of water found around your home. Bonus: Conduct an investigation to observe the condensation of water.	Taking Responsible Risks: Let's celebrate all of the nurses around us this week! What can you do to celebrate a nurse? (signs, cards, videos, etc.) Be sure to take pictures for your teacher to post on Twitter and use your yard to display your appreciation for nurses.	Finding Humor: National Limerick Day is May 12. Get together with a group of friends on zoom or with your family to see who can come up with the funniest five-liner to honor Edward Lear. The zanier, the better. When you come up with your best draft, make sure to share it with the world using #nationallimerickday. You could become a famous poet! Or, at the very least, get a retweet or two!
Striving for Accuracy: Go to the following website and play the multiplication game https://www.nctm.org/Classroom-Resources/Illuminations/Interactives/Product-Game/ If you don't have access to technology, you can play a multiplication battle with flash cards.	Responding with Wonderment and Awe Sit outside for ___ minutes. Fold your paper in half. On one side describe everything you see, taste, smell, and feel like a scientist. On the other side describe everything you see, taste, smell, and feel like a poet.	Finding Humor: Create a kindness jar. Write down everyone in your family's name on a slip of paper and put them all in a jar or container. Each day, pull out someone's name and spend the day trying to make that person laugh and smile.

3 Creek Expectations for the Day

1. Watch announcements on Twitter (@overallcreek)
2. Read & Math 20 minutes everyday
3. Do 1-2 tiles from above, each day

Additional Directions:

Strive for Accuracy and Completion: Spend 20 minutes on one of the following (page 2). Make sure you are completing lessons.

Troutman- Prodigy, Freckle, iReady
Rodden- Prodigy, Freckle, iReady
Jackson- Prodigy, iReady, Lexia, Whooo's Reading, Freckle
Horn- Prodigy, Freckle, iReady
Sams- Prodigy, Freckle, iReady
Gillespie- Prodigy, Freckle, iReady
Grande- Prodigy, Freckle, iReady
Cowan- Prodigy, Freckle, iReady, Lexia

Technology Sharing Method (Specific for each teacher)

Troutman- Mrs. Troutman will continue to use Google Classroom for students to post work, photos, and videos for the week. See email from Mrs. Troutman for specifications.

Rodden- Mrs. Rodden will continue to use Google Classroom for students to post work, photos, and videos for the week. See email from Mrs. Rodden for specifications.

Jackson- Mrs. Jackson will continue to use Class Dojo to post your videos/photos/work for the week. See email from Mrs. Jackson for specifications.

Horn- Mrs. Horn will continue to use Google Classroom for students to post work, photos, and videos for the week. See email from Mrs. Horn for specifications.

Sams- Ms. Sams will continue to use Google Classroom for students to post your videos/photos/work for the week. See email from Ms. Sams for specifications.

Gillespie - Ms. Gillespie will continue to use Google Classroom for students to post work, photos, and videos. See email from Ms. Gillespie for specifications.

Grande - Mrs. Grande will continue to use Google Classroom for students to post your videos/photos/work for the week. See email from Mrs. Grande for specifications.

Cowan - Ms. Cowan will continue to use Google Classroom for students to post your videos/photos/work for the week. See email from Ms. Cowan for specifications.
