I. Welcome and Introduction

Meeting began 5:32 pm
8 members present

II. Review of Minutes

Minutes from last meeting reviewed and approved

III. Public Comment

No public comment requested. One visitor tonight

IV. Summer Learning Opportunities

Showed flyers on Elementary, Middle School, and High School Expanded Learning Program for the Summer and explained that this is open for ALL students. How many can attend depends on how many teachers and staff are interested in working.

V. Expanded Learning Opportunities Grant

Currently writing a plan on how for best use of the funds. Showed different ideas that are currently being discussed

Comments or Feedback:

Asked about possibility of more sections at the high schools which would mean more teachers especially for APEX credit recovery

VI. LCAP Survey

Still open until 4/16. Encouraging everyone to complete. Gave feedback on what she has received so far.

- Will they be modeling the LCAP as we currently are or as return to normal year?

It will be more of a traditional LCAP.

- Question on when we will know how the next school year is being planned.
- Clarify if elementary counselors would come out of one time funding or part of the long term plan funds?

VII. Announcements/Adjournment

Meeting adjourned at 6:15 pm
